## **Dataclysm Identity What Online Offline Selves:**

Dataclysm Christian Rudder,2015 Our personal data has been used to spy on us hire and fire us and sell us stuff we don t need In Dataclysm Christian Rudder uses it to show us who we truly are For centuries we ve relied on polling or small scale lab experiments to study human behavior Today a new approach is possible As we live more of our lives online researchers can finally observe us directly in vast numbers and without filters Data scientists have become the new demographers

Dataclysm Christian Rudder,2014 Provocative illuminating and visually arresting Dataclysm is a portrait of how big data reveals our essential selves and a first look at a revolution in the making What is the secret to a stable marriage How many gay people are still in the closet Do we truly live in a postracial society Has Twitter made us dumber These are just a few of the questions Christian Rudder answers in Dataclysm a smart funny irreverent look at how we act when we think no one s looking For centuries we ve relied on polling or small scale lab experiments to study human behavior Today a new approach is possible As we live more of our lives online researchers can finally observe us directly in vast numbers and without filters Data scientists can quantify the formerly unquantifiable and show with unprecedented precision how we fight how we age how we love and how we change Our personal data has been used to spy on us hire and fire us and sell us stuff we don t need InDataclysm Rudder uses it to show us who we are as people He reveals how Facebook likes can predict with surprising accuracy a person s sexual orientation and even intelligence how attractive women receive exponentially more job interview requests and why you have to have haters to be hot He charts the rise and fall of America s most reviled word through Google Search and examines the new dynamics of collaborative rage on Twitter He shows how people express themselves both privately and publicly What is the least Asian thing you can say Do people bathe more in Vermont or New Jersey What do black women think about Simon Garfunkel Hint They don t think about Simon Garfunkel Rudder also tracks human migration in real time showing how groups of people move from certain small towns to the same big cities across the globe And he grapples with the challenge of maintaining privacy in a world where these explorations are possible *Dataclysm* Christian Rudder,2016-04-07 An irreverent provocative and visually fascinating look at what our online lives reveal about who we really are and how this deluge of data will transform the science of human behaviour *Left to Our Own Devices* Margaret E. Morris,2024-05-21 Unexpected ways that individuals adapt technology to reclaim what matters to them from working through conflict with smart lights to celebrating gender transition with selfies We have been warned about the psychological perils of technology distraction difficulty empathizing and loss of the ability or desire to carry on a conversation But our devices and data are woven into our lives We can t simply reject them Instead Margaret Morris argues we need to adapt technology creatively to our needs and values In *Left to Our Own Devices* Morris offers examples of individuals applying technologies in unexpected ways uses that go beyond those intended by developers and designers Morris examines these kinds of personalized life hacks chronicling the ways that people have adapted technology to strengthen social

connection enhance well being and affirm identity Morris a clinical psychologist and app creator shows how people really use technology drawing on interviews she has conducted as well as computer science and psychology research She describes how a couple used smart lights to work through conflict how a woman persuaded herself to eat healthier foods when her photographs of salads garnered likes on social media how a trans woman celebrated her transition with selfies and how through augmented reality a woman changed the way she saw her cancer and herself These and the many other off label adaptations described by Morris cast technology not just as a temptation that we struggle to resist but as a potential ally as we try to take care of ourselves and others The stories Morris tells invite us to be more intentional and creative when left to our own devices

*The Philosophy of Sex* Raja Halwani, Jacob M. Held, Natasha McKeever, Alan Soble, 2022-02-28 With twenty five essays seven of which are new to the eighth edition this best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Topics include sexual desire and activity masturbation Sexual orientation asexuality transgender issues Zoophilia rape casual sex and promiscuity love and sex polyamory sexual consent sexual perversion sexual ethics objectification BDSM sex and technology sex and race and sex work Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom
