**MAKE MONEY ON BLOGGING 2022** Opensea,2021-12-26 Welcome and congratulations By taking this book in hand you have taken the first step in starting your blog I don t know what prompted you to open these pages but I can guess Not long ago I was in your shoes By learning everything I could about starting a blog creating great content and spreading my message around the world I wanted more from life and I was hungry to learn I discovered a lot of information to feed my hunger and this is where I encountered my first problem There is too much information online You can read about WordPress search engine optimization email lists content marketing social media affiliate marketing and more These are all useful things But where is the plan How do you know what to do first Which social media platforms are the best How often should you publish blog posts How should you monetize your blog How do you get people to read your blog Read the book and you will know

*Online Monetization* A. T. Mezraim,2018-02-25 How can I make money online What ways can I generate a passive income online without experience or a mind boggling capital Can I make money from my YouTube Channel How can I monetize my blog These questions are being asked more frequently as time flies hard in this generation People of all ages are interested in finding more use for their computers than gaming watching movies and generally doing things that do not bring it money There are two things you should know before proceeding One will

exhilarate you but the other not so much The first is that you have the necessary instruments you need to engage successfully in this You have a computer a phone internet connection your willingness and interest and this eBook However the not so encouraging part is that making money online will not happen in a day There is no button you will click to print money out Neither is there any crossword puzzle you solve and get paid in millions Rather all routes you can take are long but not necessarily complicated ones which require utmost patience steadfastness and dedication before you can arrive at your destination of profit One mistake made people who dally in this business but never do well is that they treat online income as a side thing Meaning that they did not feel it is capable of exclusively providing for them and therefore do not put in enough work In simple terms they undermine its capabilities Engaging in online businesses means you are ready to treat it as the main thing not just a thing Also if you do not have a YouTube Channel or any other means through which you can have a large audience it is advisable to get one soon Compiled below are seven proven efficient methods through which one can generate a passive income online
