Wild Skin Eva:

Eva's Moon Jillian Lupfer, 2014-09-30 On the green hills and steep cliffs of ancient Ireland there is a village that is no different than the rest That is until they encounter some dark visitors from a mysterious land Many have died because of these visitors but Runa has a plan to free his people from the iron grasp of these demons Using magic and some unknown words they conjure a demon of their own She gives them great power but with it came a curse on their poor village Now every full moon the villages male descendants travel to their enemys castle to be locked away from their loved ones so that they dont harm them Eva a beautiful fifteen year old girl walks the path of the wolves for the first time With the love of her life beside her and her father leading the way they walk with sorrow and uncertainty in their hearts Knowing that she wont have long to live after her change that night The curse belongs to the men in the village and cannot reside in the hearts of women Their only hope is a cure and must depend on their greatest enemy to find it before Evas last moon Apex
