Startup SEO Strategy Review

A. SEO Audit

The SEO Audit phase was comprehensive, covering technical SEO, on-page SEO, and off-page SEO. A thorough check of the website's structure and content was conducted, revealing some areas for improvement. Additionally, a few issues were identified with backlinks that could affect search engine ranking.

B. Keyword Research

Keyword research was performed effectively, successfully uncovering both high-volume keywords and niche keywords pertinent to the startup. This research provides a useful roadmap to attract both larger audiences and highly targeted visitors.

C. Competitive Analysis

The competitive analysis provided valuable insights. The investigation of competitors' SEO strategies unveiled some successful trends, offering great opportunities for your startup to align its strategy accordingly or differentiate it marking its uniqueness.

D. SEO Strategy Development

Excellent SEO strategy was developed from initial insights. The plan incorporates potential improvements such as optimized website content, enhanced site structure, and quality backlink building. We look forward to seeing the positive implications of the developed strategy.

E. Implementation and Execution

The SEO strategy implementation is currently underway. Changes are being made to the website and content optimization is in progress. We await the outcomes of this action plan and the effects of cohesive link-building strategies.

F. Monitoring and Reporting

The monitoring stage is well-devised. With consistent tracking of the website's performance on SERPs and essential metrics like traffic, rankings and conversions, we
