Science Strategies to Increase Student Learning and Motivation in Biology and Life Science Grades 7 Through 12 David Butler, 2022-02-17 On the first day of school have you ever thought of your classrooms as newly opened boxes of crayons I do Like pencil sticks of colored wax the students each have different names individual characteristics and various levels of brightness I set a goal each year to promote not only creativity but to draw out of my students reasons about why science is so important As science educators we not only need to illustrate the importance of knowing facts and terminology but also be able to frame those concepts in such a way that students are motivated to want to study and understand biology When I began teaching I never thought that I would have the multitude of experiences I have now I have taught in schools ranging from city to rural public to private and large to small not to mention classes ranging from general science to advanced biology Through these diverse experiences I have developed a number of strategies that have enhanced student achievement and science appreciation In this book I will share with you these experiences and techniques showing you how to enhance teaching skills increase student drive create mental connections better manage your class time use proper technology practice forms of differentiation and incorporate the NGSS In addition this text allows me to share my most treasured philosophies experiences and teaching strategies and how they can be applied to biology life science classrooms

American Reckoning Jonathan Alter, 2024-10-22 A vivid eyewitness account of the historic first criminal trial of a president and a cri de coeur for democracy from a New York Times bestselling author and presidential historian As one of a handful of journalists allowed in the courtroom for 23 days Jonathan Alter sat just feet away from the most dangerous threat to democracy in American history watching the spectacle of the century the felony trial of Donald Trump Highly publicized but untelevised and thus largely hidden from public view this landmark trial offered hope of real justice amid a grueling eight year national ordeal and foreshadowed the drama of the 2024 presidential election Alter shares everything he witnessed from eviscerating takes on the colorful characters to the chilling legal ups and downs to offer a barbed account of the trial and its aftermath including fresh reporting about the historic events of the summer of 2024 A Zelig of journalism experiencing a crisis of faith in the good sense of the American people Alter chronicles the shaping of his political consciousness and his bracing unpredictable relationships with Jimmy and Rosalynn Carter Bill and Hillary Clinton Barack Obama John McCain and Joe Biden whose decision to stand down in favor of former prosecutor Kamala Harris put the criminal trial front and center as Americans rendered their own verdict at the polls Deeply personal and passionate *American Reckoning* is an eye opening book from a journalist with a front row seat on history offering a troubled yet hopeful look at our national moment of truth
