Human Resource Development Randy L. DeSimone, 2002-05-01 *Human Resource Development* Jon M. Werner, Randy L. DeSimone, 2011-10-01 This comprehensive text covers the entire field of human resource development from orientation and skills training to career and organizational development. It shows how concepts and theory have been put into practice in a variety of organizations. This sixth edition of HUMAN RESOURCE DEVELOPMENT reflects the current state of the field, blending real world practices and up to date research. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *Human Resource Management* David A. DeCenzo, Stephen P. Robbins, 1999 Over the past decade, management practice has gone through dramatic changes. Workforce diversity, downsizing, reengineering, total quality management, outsourcing, and rediscovering the importance of satisfying the customer all have a significant impact on Human Resources. The new Sixth Edition of DeCenzo and Robbins' *Human Resource Management* features a current real world perspective that gives readers a crystal clear picture of what today's HRM is really like. Emphasizing the application of theory, the Sixth Edition carefully integrates real examples with the most up to date information available. [Human Resource Development](#) Ronan Carbery, Christine Cross, 2017-09-16 This core textbook on human resource development (HRD) focusses on a topic that has emerged as one of the most dynamic and multifaceted areas of business and management for both academics and practitioners. Providing an engaging and succinct discussion of the topic, this textbook tackles HRD from a basic introductory level, covering the major areas of HRD including strategic HRD, the interaction between leadership, talent management, and HRD, and HRD in large and small enterprises. With a unique blend of theory and practice alongside innovative learning tools such as videos and active case studies, this text will help students to succeed in their HRD courses and to develop important practical skills for their future career. This is the perfect textbook for first and second year undergraduate students as well as for post-experience students studying introductory modules on Human Resource Development, Training and Development, or Learning and Development. *Foundations of Human Resource Development, Third Edition* Richard A.
