Glen Gilmore stands alone as the authority on social media law Social Media Law for Business should become a ready reference for business leaders and digital marketers MARK SCHAEFER bestselling author of Return on Influence Required reading not only in the classroom but also in the boardroom and in any business where people care about getting social media marketing right PETER METHOT managing director of executive education at Rutgers Business School A layperson s blueprint for minimizing the legal risks of social media marketing while maximizing the opportunities for digital marketing success AMY HOWELL founder of Howell Marketing Strategies and coauthor of Women in High Gear **MY JOB Gen Z** Suzanne Skees, Sanam Yusuf, 2021-04-16 Nonfiction business career studies sociology of work real life vignettes of young people at work along with how tos for job hunting and career building MY JOB Gen Z provides hope and help to young adults launching careers during a pandemic and recession defines the unique qualities of Generation Z based on field research and our survey profiles ordinary and famous Gen Zers striving toward and succeeding in their dream jobs and offers resources on how to identify your skills apply for internships and jobs negotiate terms and salary work remotely and forge ahead with your dream job in a fast changing world MY JOB Gen Z written by and for Generation Z born in and after 1995 combines research into the unique experiences and qualities of this rising generation with the results of our own global survey We compare what the data say about Gen Z with who YOU say you are including an array of real life profiles of ordinary Gen Zers how they feel about work what they want most from their careers and the challenges they encounter along the way We spotlight famous Gen Zers who ve already had impact on society built companies and made millions and reveal what drives them to succeed Then we guide you through best practices for creating your own resume and professional profile applying for internships and jobs conducting online and in person interviews discerning your valuable skillset and pursuing your own dream job The real life examples and pragmatic advice offered in MY JOB Gen Z will convince you that you are not alone in an often challenging and isolating world It will leave you inspired by your peers doing amazing things and motivated to pursue your own dream job Book Review 1 A collection of intimate interviews with people regarding the personal familial cultural and geographic factors in their working lives Inspired by Studs Terkel s Working 1974 which profiled ordinary American workers editor Skees God Among the Shakers 1998 takes the concept global Six of her 16 subjects live in the United States including a slack key guitarist in Honolulu an architect in Cincinnati and a recruiter headhunter in Tampa Florida The rest are on other continents including a coffee farmer in Nicaragua a Masai warrior in Tanzania a married couple running an eco friendly factory in India a rickshaw puller in Bangladesh and a private equity manager in Hong Kong Skees organizes the material into five sections Entrepreneurship Industry and Transportation Farming Food and Animals Finance and Technology and Music an environmental activist in American coal country a banana farmer in Uganda a college admissions counselor in Rwanda and a fringe diplomat in Tel Aviv Few books dig so deeply into life as it s actually lived with such unsparing intimacy Prose Skees s own prose is sharp clear and purposeful but outside of introductions and some notes

most of the book come straight from the mouths of her subjects through first person monologue Skees breaks the chapters up into short labeled sections This is helpful for skimmers but the shortness of the individual sections gives the chapters a stop and start feeling impeding narrative momentum Originality This isn't the first book to survey workers in their own words about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about the world and this current moment Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It's both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There's great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling Booklife Publisher's Weekly
