*Codex Orks* Phil Kelly, 2007      *Codex Armageddon* Andy Chambers, 2000-07      *Race and Popular Fantasy Literature* Helen Young, 2015-08-11 This book illuminates the racialized nature of twenty first century Western popular culture by exploring how discourses of race circulate in the Fantasy genre It examines not only major texts in the genre but also the impact of franchises industry editorial and authorial practices and fan engagements on race and representation Approaching Fantasy as a significant element of popular culture it visits the struggles over race racism and white privilege that are enacted within creative works across media and the communities which revolve around them While scholars of Science Fiction have explored the genre s racialized constructs of possible futures this book is the first examination of Fantasy to take up the topic of race in depth The book s interdisciplinary approach drawing on Literary Cultural Fan and Whiteness Studies offers a cultural history of the anxieties which haunt Western popular culture in a century eager to declare itself post race The beginnings of the Fantasy genre s habits of whiteness in the twentieth century are examined with an exploration of the continuing impact of older problematic works through franchising adaptation and imitation Young also discusses the major twenty first century sub genres which both re use and subvert Fantasy conventions The final chapter explores debates and anti racist praxis in authorial and fan communities With its multi pronged approach and innovative methodology this book is an important and original contribution to studies of race Fantasy and twenty first century popular culture      [Warhammer 40,000 The Ultimate Guide](#) Gavin Thorpe, Guy Haley, 2024-10-29 The first ever Warhammer 40 000 encyclopedia is here Dive into the vast universe of Warhammer 40 000 and explore miniatures from every faction captured in all their glory through official photography Follow key characters throughout the evolution of their models and experience in pinpoint detail the warriors who wage endless war across the ravaged galaxy of the 41st Millennium Explore the Warhammer 40 000 universe and its factions in striking detail The first book of its kind this Ultimate Guide goes into unparalleled detail on the miniatures and lore of Warhammer 40 000 and is sure to delight long time fans and newcomers alike Lavishly illustrated with hundreds of beautifully shot photographs of Warhammer 40 000 miniatures that showcase fine details and intricate designs across each faction from the mighty Space Marines to the ravenous Tyranids foul Chaos Daemons deathless Necrons and more Written by Guy Haley and Gav Thorpe these prolific Black Library authors who are household names of Warhammer fandom walk you through this world with richly detailed descriptions and insights into the lore Packed with insight into the game s defining miniatures Warhammer 40 000 The Ultimate Guide goes deep into the Warhammer 40 000 universe like never before Whether you re a new fan who wants a complete guide to the setting a collector of miniatures a follower of the lore or simply looking to celebrate your favorite hobby this must have volume is an essential visual journey through the grim darkness of Warhammer 40 000 Copyright Games Workshop Limited 2024      *Zones of Control* Pat Harrigan, Matthew G. Kirschenbaum, 2016-04-15 A look at wargaming s past present and future from digital games to tabletop games and its use in

entertainment education and military planning With examples from Call of Duty Modern Warfare Harpoon Warhammer 40 000 and more Games with military themes date back to antiquity and yet they are curiously neglected in much of the academic and trade literature on games and game history This volume fills that gap providing a diverse set of perspectives on wargaming s past present and future In Zones of Control contributors consider wargames played for entertainment education and military planning in terms of design critical analysis and historical contexts They consider both digital and especially tabletop games most of which cover specific historical conflicts or are grounded in recognizable real world geopolitics Game designers and players will find the historical and critical contexts often missing from design and hobby literature military analysts will find connections to game design and the humanities and academics will find documentation and critique of a sophisticated body of cultural work in which the complexity of military conflict is represented in ludic systems and procedures Each section begins with a long anchoring chapter by an established authority which is followed by a variety of shorter pieces both analytic and anecdotal Topics include the history of playing at war operations research and systems design wargaming and military history wargaming s ethics and politics gaming irregular and non kinetic warfare and wargames as artistic practice
