*Barista Techniques* John C. Doyle,2005-06-01 [Barista Techniques](#) John C. Doyle,2015-07-01 *Barista Techniques* is written as a guide for people who want to learn how to prepare and serve espresso coffee using commercial espresso coffee equipment It is not intended for those who use domestic coffee equipment Some of the

techniques outlined may damage domestic equipment and may void the manufacturer's warranty. Barista Techniques is primarily directed at trainee baristas and barista trainers. This resource is also an essential tool for those already working in and or those wishing to join the hospitality industry: teachers, high school students, employers and employees, cafe owners and employees and all those interested in espresso coffee who want to know more about what is involved in extracting the perfect espresso. The book is intended to complement any training course in preparing and serving espresso coffee using commercial coffee equipment. While it can be used as a stand alone resource, readers will gain maximum benefit if they are involved in or have completed a coffee training program. Although the book is suitable for the complete novice, a basic knowledge of the barista environment is desirable. When you begin reading Barista Techniques you will be starting out on a journey to espresso excellence, travelling via easy to follow chapters which enable you to develop the skills and knowledge required for preparing and serving espresso coffee. Straightforward, clear text also makes Barista Techniques suitable for those who have English as a second language.
