The SAGE Encyclopedia of Filipina/x/o American Studies Kevin Leo Yabut Nadal, Allyson Tintiangco-Cubales, E.J.R. David, 2022-09-13 Filipino Americans are one of the three largest Asian American groups in the United States and the second largest immigrant population in the country Yet within the field of Asian American Studies Filipino American history and culture have received comparatively less attention than have other ethnic groups Over the past twenty years however Filipino American scholars across various disciplines have published numerous books and research articles as a way of addressing their unique concerns and experiences as an ethnic group The SAGE Encyclopedia of Filipina x o American Studies the first on the topic of Filipino American Studies offers a comprehensive survey of an emerging field focusing on the Filipino diaspora in the United States as well as highlighting issues facing immigrant groups in general It covers a broad range of topics and disciplines including activism and education arts and humanities health history and historical figures immigration psychology regional trends and sociology and social issues *The Oxford Handbook of Women and Competition* Maryanne L. Fisher, 2017-08-14 While women are generally perceived to be less competitive than men women compete in many ways and in a variety of situations Women try to make themselves look more attractive to draw the attention of a desirable mate They will use gossip as a form of informational warfare to influence reputations They compete as mothers to gain access to resources that directly influence the health of their children They use selfies posted on social media to manipulate others perceptions Women compete all of their lives in the womb through adolescence and adulthood and into their elder years The topic of women s competition has gained significant momentum over the years Edited by Maryanne L. Fisher The Oxford Handbook of Women and Competition provides readers with direct evidence of this growth and is one of the first scholarly volumes to focus specifically on this topic Fisher and her team of contributors offer a definitive worldview of the current state of knowledge regarding competition among women today Many of the chapters are grounded within an evolutionary framework allowing for authors to investigate the adaptive nature of women s competitive behaviors motivations and cognition Other chapters rely on alternative frameworks with contributors also asserting that socio cultural forces are the culprit shaping women s competitive drives Additionally several contributors focus their attention on issues faced by

adolescent girls and explore the developmental trajectories for young women through adulthood Designed to serve as a source of inspiration for future research and direction The Oxford Handbook of Women and Competition is a stand out scholarly text focusing on the many competitive forces driving women today **Porn Again** Jose Javier Reyes,2003

Luna's Moustache Ambeth R. Ocampo,1997 **Love and Relationships** Nina Lee Aquino,2009 Works that represent cultures from all over Asia and the place those cultures have in Canada Feminist Collections ,2013 *Crossing Cultural Boundaries* Lili Hernández,Sabine Krajewski,2009 To cross boundaries to go beyond borders an evocative idea but what are the implications and consequences of transgression How are boundaries challenged redefined and overcome within the intricacies of taboos bodies and identities Crossing Cultural Boundaries Taboos Bodies and Identities brings together a range of articles that address this theme using different frameworks of interpretation As in the case of taboo boundaries are often internalised and may function as regulators for a society Their existence becomes visible the moment they are violated The essays in this book explore voluntary and accidental encounters with boundaries not only from theoretical perspectives but also from the experience of those who are part of transitions on a regular basis in their everyday lives The notion of otherness is central to the articles in this book The definition and interpretation of cultural others become part and parcel of the process of negotiation of bodies and identities While the other TM is marked by outward bodily signs spaces taboos and cultural practices the self is empowered by resisting submission to dominant modes and descriptions Deconstructing boundaries becomes part of the project of redefining the self This book will appeal to academics and researchers in communications cultural studies sociology health sciences anthropology literature and applied linguistics *Drama Queen* Madison Nicole Jennings,2010 **Virginia Counselors Journal** ,2000 **The Myths of Japanese Quality** Ray E.
