Breaking Through College Reading 8th Edition By Brenda D:

Breaking Through Brenda D. Smith, LeeAnn Morris, Deborah Deutsch Smith, 2012-01-02 The tenth edition of *Breaking Through* upholds the philosophy and purpose that undergirded previous editions to guide students to be independent readers who can understand, digest, and retain the material in college level texts. Like its predecessors, the tenth edition aims to motivate and equip students to achieve their academic and career goals while building background knowledge. The instructional methods emphasize strategic learning in individual and collaborative contexts. The tenth edition teaches effective reading techniques, provides extensive practice, provides independent partner and group activities, and engages students with reading selections on a variety of topics pertinent to the college community. *Breaking Through* Brenda D. Smith, 2006-01-09 *Breaking Through* provides instruction and practice on the reading and study skills necessary for successful independent college learning. The sole use of college textbook passages and academic sources offers realistic, immediate practice and application of college reading skills. Students apply the skill being taught to reading short textbook passages and then go on to use multiple skills on the longer selections that conclude most chapters. Please enter here. The majority of reading selections are drawn from college textbooks used in most freshman level courses, while the rest are pulled from varying academic sources. Tiered reading selections at the end of each chapter; readings are at three different reading levels. 14 longer textbook selections, two reading case books, complete textbook chapter. Four color design. Reader's Tips boxes condense advice for students into practical hints for quick references. Interpret the Quote feature strengthens the critical thinking element of the text. Instructors teaching courses at the 6th-9th reading level who prefer to teach college reading skills with freshman level textbook pieces and a wealth of skill exercises. ***Breaking Through*** Brenda Smith, LeeAnn Morris, 2015-01-12 NOTE: You are purchasing a standalone product.
