[Public Governance and the Classical-Liberal Perspective](#) Paul Dragos Aligica, Peter J. Boettke, Vlad Tarko, 2019-05-01 Drawing on classical liberalism develops a systematic framework of principles regarding public governance

[Corporate Citizenship and New Governance](#) Ingo Pies, Peter Koslowski, 2011-07-30 This volume unites the perspective of business ethics with approaches from strategic management economics law political science and with philosophical reflections on the theory of Corporate Citizenship and New Governance In view of the internationalization of the global economy and the free movement of capital new instruments of political coordination are needed These societal changes trigger the two closely intertwined challenges examined in this book The first challenge relates to the role and the self conceptualization of business firms as corporate citizens within society Companies are increasingly expected to assume the social responsibility of helping to shape the rule framework of globalization The second challenge refers to the form of the engagement in local national and international processes of governance To more credibly and effectively tackle these challenges corporate actors are ever more participating in rule setting processes together with civil society organizations and the government

[Corporate Social Responsibility](#) Andrew Crane, Dirk Matten, Laura Spence, 2014 As a relatively young subject matter corporate social responsibility has unsurprisingly developed and evolved in numerous ways since the first edition of this textbook was published Retaining the features which made the first edition a top selling text in the field the new edition continues to be the only textbook available which provides a ready made enhanced course pack for CSR classes Authoritative editor introductions provide accessible entry points to the subjects covered an approach which is particularly suited to advanced undergraduate and postgraduate teaching that emphasises a research led approach New case studies are integrated throughout the text to enable students to think and analyze the subject from every angle The entire textbook reflects the global nature of CSR as a discipline and further pedagogical features include chapter learning outcomes study questions challenges for practice boxes and additional further reading features at the end of each chapter This highly rated textbook now also benefits from a regularly updated companion website which features a brand new CSR Case Club presenting students and lecturers with further case suggestions with which to enhance learning lecture slides updates from the popular Crane and Matten blog links to further reading and career sites YouTube clips and suggested answers to study questions An Ivey CaseMate has also been created for this book at <https://www.iveycases.com/CaseMateBookDetail.aspx?id=335>

[Organizational Behavior](#) Fred Luthans, Brett C. Luthans, Kyle W.
