## **Business Law Text And Cases Answer Key:**

*Business Law* Virginia G. Maurer, 1987      **Business Law** James Marson, 2013-05-23 This comprehensive textbook provides a thorough and accessible introduction to business law for the non-law student. Packed with up-to-date and relevant examples, it demonstrates the real applicability of the law to the business world, making it an invaluable companion for all those tackling business law for the first time. Whether you're a would-be entrepreneur or looking to a career in management, this book gives you the solid base you need to make confident business decisions in the future. Designed for non-lawyers, *Business Law* is written in a clear and easy-to-follow style which avoids excessive legal terminology and presents the need to know facts and cases. Fully referenced throughout and with an accompanying Online Resource Centre, *Business Law* combines accurate legal detail with strong learning tools such as self-test questions, chapter summaries, and key definitions, helping you successfully navigate your way through this often complex subject.

**ONLINE RESOURCES** The book is accompanied by a comprehensive Online Resource Centre offering several resources to support teaching and learning: Student Resources, Multiple choice questions, Indicative answers to the end of chapter questions, Additional material on the Consumer Protection from Unfair Trading Regulations 2008, business and ethics, corporate manslaughter, and the Legal Services Act 2007, Flashcard cases, Flashcard glossaries, Legal Updates, Lecturer Resources, Customizable PowerPoint slides for use in your teaching, Test bank of multiple choice questions.

**Card & James' Business Law for Business, Accounting, & Finance Students** Lee Roach, 2012-04-19 With faultless accuracy, this text is the most detailed and analytical account of law for those new to the subject. It provides a commanding analysis of the English legal system: contract law, the law of torts, company law, and employment law, as well as covering relevant aspects of the law of agency and environmental law. Online chapters provide further discussion relating to the economic torts, corporate governance, the sale of goods, consumer credit, and the law relating to unfair and illegal commercial practices. All of this is discussed using relevant examples from the business environment and the key legal cases to help develop a greater understanding of the interconnections between the law and corporate setting. The new learning features have been incorporated throughout, making this difficult subject more accessible. Key case examples and discussion boxes demonstrate the application of law and highlight core principles, while self-test questions allow students to assess their progress. Online Resource Centre The accompanying Online Resource Centre provides a wealth of resources for students to further develop their understanding and test their knowledge, including additional practice questions with answers, a flashcard glossary of key legal terms, and updates to the law via Twitter. This new edition also includes a testbank of MCQs for lecturer use.
