

Oedipus Rex Scene 2

Ian Pickup

Oedipus Rex Scene 2:

The Unconscious in Shakespeare's Plays Martin S. Bergmann, 2018-05-01 Just as concerts emerge from the interaction of many instruments so our understanding of Shakespeare is enriched by different approaches to him Psychoanalysis assumes that creative writers have the need to both reveal and conceal their own inner conflicts in their works They leave residues in their works that if we pay attention can become building blocks that reveal aspects of the unconscious Readers may find that the questions raised add to the pleasure of reading Shakespeare and that they deepens their understanding of his plays Topics covered include the pivotal position of Hamlet the poet and his calling the Oedipus complex intrapsychic conflict the battle against paranoia and the homosexual compromise By using psychoanalytic techniques in analyzing his plays and characters the author reveals more about Shakespeare s hidden motivations and mental health Lulu Douglas Jarman, 1991-02-22 This book is a guide to Berg s second opera Lulu written in non technical language and intended for those students and music lovers wishing to become familiar with one of the masterpieces of twentieth century music Jarman presents a clear and concise introduction to the musical language and to the intricate musical and dramatic structure of Berg s opera The volume also examines the literary background the genesis composition and tortuous posthumous career of the work The final chapters survey the performance history and suggest a possible interpretation of this complex and challenging composition An important feature of the book is the inclusion of source documents and critical responses to the opera Illustrated with photographs from the premiere and from recent productions the volume also includes a synopsis bibliography and discography **The Language of Stravinsky** Angelo Cantoni, 2014-10-31 Ein neuer methodischer Zugriff charakterisiert Angelo Cantonis mehr als 40 Jahre nach Stravinskij s Tod entstandene Schrift The Language of Stravinsky Darin geht es sowohl um die einzelnen Werke als auch um die Entwicklung von Stravinskij s Tonsprache w hrend der gesamten Schaffenszeit Hauptziele der Arbeit sind die Gesamtanalyse von Kompositionen sowie der Nachweis einer die verschiedenen Schaffensphasen die Stilvielfalt die wechselnden Besetzungen und den Wandel musiktheatralischer Gattungen bergreifenden Koh renz seiner Musik Obwohl Stravinskij s Werk oftmals in drei verschiedene Stilperioden die russische die neoklassizistische und die serielle untergliedert wird zeichnet es sich durch gemeinsame Konstruktionsprinzipien einer ureigenen Tonsprache aus Die Analysen legen deren grundlegende Elemente und ihre Grammatik offen Jedes der acht Kapitel des Buches ist auf einen Aspekt der Tonsprache Stravinskij s fokussiert jeweils in der Abfolge der Chronologie der Werke Aus diesem Grund werden dieselben Kompositionen in mehreren Kapiteln unter verschiedener Perspektive untersucht Auf diese Weise ergeben sich ganz wesentliche neue Einsichten zum Gesamtschaffen Stravinskij s The Language of Stravinsky proposes new methods of looking at Stravinsky s work more than 40 years after his death It considers both his individual compositions and the evolution of his work over his lifetime The main purpose of the book is to analyse and clarify the inner coherence of Stravinsky s music despite the wide variety of styles instrumental combinations and theatrical modes

with which he worked Though his career is often seen as falling into three distinct periods Russian Neoclassical and Serial his work as a whole is threaded through with a language unique to himself as a composer The analysis presented in this account identifies the basic elements and grammar of this underlying musical language Each of the eight chapters of the book focuses on one aspect of Stravinsky s musical language followed chronologically within that chapter The same works are therefore often studied in different chapters looked at from a different musical perspective This analysis of Stravinsky s music over time provides major new insights into his work

Modern Music ,1929 *Stages of Drama* ,1981 "Ligeti's Laments: Nostalgia, Exoticism, and the Absolute" Amy Bauer,2017-07-05 When the Hungarian composer Gy rgy Ligeti passed away in June 2006 he was widely feted as being one of the greatest composers of our time His complete published works were recorded during his lifetime and his music continues to inspire a steady stream of performances and scholarship Ligeti s Laments provides a critical analysis of the composer s works considering both the compositions themselves and the larger cultural implications of their reception Bauer both synthesizes and challenges the prevailing narratives surrounding the composer s long career and uses the theme of lament to inform a discussion of specific musical topics including descending melodic motives passacaglia and the influence of folk music But Ligeti laments in a larger sense his music fuses rigour and sensuality tradition and the new and influences from disparate high and low cultures with a certain critical and ironic distance reflected in his spoken commentary as well as in the substance of his music The notions of nostalgia exoticism and the absolute are used to relate works of different eras and genres along with associated concepts of allegory melancholy contemporary subjectivity and the voice

The Heath Introduction to Drama Jordan Yale Miller,1992 **University Magazine** ,1913 **The University Magazine** ,1913 *Educational Film Locator of the Consortium of University Film Centers and R. R. Bowker Company* Consortium of University Film Centers,1978 **Staging Fascism** Jeffrey Thompson Schnapp,1996 On an April evening in Florence in 1934 before twenty thousand spectators the mass spectacle 18BL was presented involving two thousand amateur actors an air squadron one infantry and cavalry brigade fifty trucks four field and machine gun batteries ten field radio stations and six photoelectric units However titantic its scale 18BL s ambitions were even greater to institute a revolutionary fascist theater of the future a modern theatre of and for the masses that would end the crisis of the bourgeois theatre This is the complete story of the event a colossal failure to critics and spectators alike which the fascist government took pains to expunge from the annals of the regime The detailed reconstruction of these various aspects of 18BL serves as a springboard for a larger inquiry into the place of media technology and machinery in the fascist imagination particularly in its links to fascist models of narrative historiography spectacle and subjectivity

Catalog of Sound Recordings Sibley Music Library,1977 **Problem Solving in Families** Samuel Vuchinich,1999 This well written book skillfully introduces the readers to the history of family problem solving The range and quality of content in the book is vast and comprehensive Strength lies within the detailed review of the literature Readers seeking a wealth of information in

a single volume may find this text a useful educational and research tool Given the book s readability it is recommended for upper level seminars It would be appropriate as a supplemental or required graduate level text in courses from multiple disciplines that deal with family problems The text is thought provoking and it may be a useful resource for researchers students educators and practitioners working with families Journal of Marriage and the Family This exploration of problem solving is useful to a variety of audiences who work with and conduct research related to families It offers practical applications of family problem solving as well as recent advances in and future considerations of research this field America s Family Support Magazine Family problems can range from mild conflicts to pathological issues In recent years it has become apparent that an understanding of family conflict is impossible without more knowledge about a fundamental characteristic of families family problem solving The various methods and tools both effective and ineffective that families use to solve their problems is an ongoing subject of research and clinical work that involves many disciplines including clinical psychology sociology family therapy developmental psychology communications and social psychology These vastly different perspectives and approaches emerging from this research have resulted in a diverse body of knowledge that has yet to be integrated and synthesized In Family Problem Solving author Samuel Vuchinich pulls this research together in one comprehensive volume that is written in an accessible and engaging style Elucidating the core principles that have developed from these various fields Family Problem Solving explores family conflicts the nature of family problems problems across the life cycle and social constructions This volume also includes applications of family problem solving as well as recent advances in and future considerations of this field This book will provide a useful resource for professionals and students in family studies developmental psychology sociology of the family and family psychology *The Classical Review* ,1928
