The Complete Bible of Nootropics and Cognitive Enhancers Mitch Gilliland,2017-02-14 Excerpt Nootropics Smart drugs cognitive enhancers that come in the form of pharmaceuticals supplements and herbs are used with the intention of the user gaining improved creativity improvement in memory and improved prefrontal front part of the brain functioning which includes planning and personality expression and motivation amongst many things A nootropic by definition is not intended for the treatment of pathology but cognitive enhancement in the already healthy individual So how did you end up here Are you one of the individuals who saw the movie Limitless and are trying to replicate the effects of the infamous NZT 45 and are trying to quell your curiosity Or maybe you re one of the individuals who have recently been exposed whether in the workplace through media social media or the university grounds to the term Smart drug known to some academic professionals as Cognitive Enhancers or nootropics It is no doubt that in our modern 24 7 work lives or our hectic study schedules filled with sheer

competition and dead lines that this term Smart drug or performance cognitive enhancer is peaking the curiosity of many and isn't going anywhere anytime soon

Beyond Coffee James Beshara, Dan Engle, Katherine Haynes, 2019 When it comes to productivity there aren't many things we do today that we did 200 years ago We send emails instead of post drive cars instead of horse drawn carriages and look up stuff on our phones instead of traveling a hundred miles to the nearest library However when it comes to our morning routines 80 percent of the world consumes caffeine each day to wake them up and give them a boost for their daily tasks Whether it's black tea or coffee most of us consume the same ingredients we consumed 200 years ago without realizing two important facts First coffee beans and tea leaves are not the only sources of energy that nature provides us Second productivity is more than just wakefulness It's energy focus creativity decreased stress and improved sleep among other things What can nature science and global access to different ingredients tell us about optimal productivity And which ingredients are scientifically proven to be effective and safe Backed by over 240 scientific studies Beyond Coffee is a simple guide that answers these questions
