

# Practice TOEIC® Test: Reading

## TAKING THE PRACTICE TEST

The following Reading Practice Test will help you evaluate the TOEIC test-taking skills that you have learned for the Reading Section of the test. The Reading Practice Test is divided into three parts, just as on the actual test. The level of difficulty of the written material is like that of the TOEIC test. The timing should also be set like the test, so try to complete the Reading Test in 75 minutes or less.

We advise you to simulate the actual test when you take the Reading Practice Test. Take the test in a quiet setting. Be sure to follow the directions exactly as instructed.

Use the answer sheet on page 187 to mark your answers as you will on the actual test. You may remove the answer sheet from the book or make a photocopy for reuse if you want to try the test again. Use a #2 pencil. Mark your answers by filling in the letters of your answer choices on the answer sheet.

For example, the test taker below has chosen "B."

Be sure you mark only one answer per item on your answer sheet. If you want to change an answer, be sure to erase it completely. Do NOT cross it out! On the actual test, this will be scored as two answers and the item will be marked as incorrect.

## SCORING THE TEST

After you complete the Reading Practice Test, check your answers in the answer key that starts on page 212. Scores on the actual test are determined by the number of correct answers. This raw score is then converted to a scaled score. Only the scaled score is released to the test taker. While your score on this practice test is not a sure guarantee of your TOEIC® test score, you can calculate a comparable scaled score by referring to the scoring chart on page 246.
