Interactive Reading Notebooks Informational Text Lesson:

40 Strategies for Guiding Readers Through Informational Texts Barbara Moss, Virginia Loh-Hagan, 2016-05-23 Gaining the skills to critically read a wide variety of informational texts is more important than ever for today's K-12 students. This carefully crafted book offers 40 standards-based instructional activities that teachers can immediately put to use in the classroom. Clear rationales and step-by-step instructions are provided for implementing each strategy together with helpful classroom examples and suggested texts for different grade levels. In a large size format for easy photocopying, the book includes 44 reproducible worksheets. Purchasers get access to a Web page where they can download and print the reproducible materials. Prior edition title: *35 Strategies for Guiding Readers through Informational Texts*. New to This Edition: Now features more strategies including 16 that are completely new. Explicit links throughout to the Common Core State Standards (CCSS) and other current standards. Two additional strands of activities: Reading Closely and Discussion. Numerous new and revised reproducible tools, all downloadable. **Interactive Notetaking for Content-Area Literacy, Secondary** Judith Goodman, 2018-05-01 Help secondary school students build content area literacy and increase retention through interactive notetaking. This resource provides creative strategies for notetaking to engage students in critical thinking and analysis across multiple subject areas. **Interactive Notetaking for Content-Area Literacy, Levels 3-5** Judith Goodman, 2018-05-01 Help students build content area literacy through interactive notetaking. This resource provides creative strategies for developing students' interactive notetaking skills across the content areas. Lessons focus on topics including partner work, vocabulary, comprehension, and summarizing to engage students in critical thinking and analysis. This grade range specific resource differentiates instruction to support the needs of students at each grade level. Aligned to standards, this essential classroom resource will allow students to practice effective learning strategies, increasing retention and achievement in mathematics, language arts, social studies, and science. **Interactive Notetaking for Content-Area Literacy, Levels K-2** Judith Goodman, 2018-05-01 Help students build content area literacy through interactive notetaking. This resource provides creative strategies for developing students' interactive notetaking skills across the content areas. Lessons focus on topics including partner work, vocabulary, comprehension, and summarizing to engage students in critical thinking and analysis.
