

Chapter 2

Theoretical Framework

In chapter two, the discussion is about what types of theories the writer will use in this study. In order to find out the factors that affected the characters to develop the different responses in this movie. This study is using character analysis approach and psychoanalysis approach. And in major the theory will be taken from Richard Gill and Freud. In order to analyze the character the theory will be the element of literature, as for to understand the psychological situation the theory consists of the basic three psychic zones, depression, the mourning and melancholia phase, and the defense mechanism.

2.1 Elements of Literature

In literature there are many type of elements and genre, the elements are used to support the literature, it consists of the character, plot, setting, theme, etc (Literary terms, 2011, p.105)

2.1.1 Plot

Based on Gill (1995) the plot in literature explained as the string of event that is arranged by the author of the story in one certain order. (p.
