## **Introduction To Japanese Politics Fifth Edition Probos:**

**Introduction to Japanese Politics** Louis D. Hayes, 2017-08-07 Introduction to Japanese Politics now in its fully updated sixth edition is a comprehensive and current review of political and public policy developments in Japan Since the previous edition Japan s economic policy has undergone significant change with a prolonged period of deflation having altered the dynamics of the Japanese economy At the same time the Abe administration has expanded Japan s international security participation previously limited by the constitution while China s activities in the South China Sea have impinged upon Japan s territorial claims This classic introduction to the Japanese political system has been revised and fully updated in this sixth edition to take into account these widespread changes in the country s political life Building on the structure and content of the previous edition this new edition covers An overview of Japan s geographical setting and history Japan s political institutions processes and actors Recent organizational ideological and policy changes in the LDP since its return to power The country s distinctive social order and its educational healthcare and public safety systems The increasingly contentious realm of foreign relations and security issues including China s expanding role and the effect of North Korea s development of nuclear weapons This broad ranging textbook continues to be essential reading for students of Japanese politics

**Introduction to Japanese Politics** Hayes, 2009-05-15 This widely used text is an even handed forthright attempt to explain the political life of Japan as well as the forces that shape it It demystifies this complex society by explaining the historical background for modern Japan the political process its formal structure the party system and citizen participation the social order and the domestic economy and Japan s role in international politics with emphasis on U S Japanese relations and the international economy The revised and updated Third Edition covers the new ground of 1995 1999 a period during which Japan experienced extraordinary political and economic change

**Introduction to Japanese Politics./Louise D. Hayes** Louise D. Hayes, *Japanese Politics* Takashi Inoguchi, 2005 As a former Assistant Secretary General of the United Nations and academic Inoguchi Chuo U is considered one of the foremost political scientists in Japan In this treatment of the political issues facing modern Japan he makes sure readers receive the correct background needed to understand the complexities of political behavior *Whitaker's Books in Print*, 1998

**Forthcoming Books** Rose Arny, 2003 *Japanese Politics* Nobutaka Ike, 1957 **Japanese Politics** Nobutaka Ike, 1957 **Japanese Politics: Patron-client Democracy** Nobutaka Ike, 1972 **Japanese Contemporary Politics** Akio Igarashi, 2018-06-27 In the postwar period Japanese politics has evolved considerably with issues of gender representation and household economics becoming increasingly salient Meanwhile since the end of the Cold War Japan has joined other developed states in the process of decentralization and deindustrialization Yet its restructuring has come at a slower pace as the Japanese bureaucracy attempts to retain a more traditional approach This book a translated and updated version of the author s 2010 monograph *Nihon seijiron* traces these developments in Japanese politics from the end of the Asia Pacific wars

to the present day Examining each of the key stages of transition it looks at four aspects of Japanese politics high politics interest centered politics life centered politics and globalization It also provides up to date analysis of contemporary themes including the Abe administration s challenge to international politics and coverage of nuclear issues Written by an experienced Japanese scholar this book ultimately demonstrates how globalization has transformed the nature of local politics as well as national security However as seen in the recent triple disaster of 2011 a chapter on which has been added Japanese politics retains traditional practices that have led to corruption scandal and political mistrust among the electorate Offering a comprehensive introduction to Japanese politics this book will be invaluable reading for students and scholars of Japanese politics and comparative and Asia politics in general **Japanese Political Style** Warren M. Tsuneishi,1966
