[A Concise Introduction to Linguistics](#) Bruce M. Rowe,Diane P. Levine,2022-12-30 Now in its sixth edition A Concise Introduction to Linguistics provides students with a detailed introduction to the core concepts of language as it relates to culture The textbook includes a focus on linguistic anthropology unpacking the main contributions of linguistics to the study of human communication and culture Aimed at the general education student the textbook also provides anthropology linguistics and English majors with the resources needed to pursue advanced courses in this area Written in an accessible manner that does not assume previous knowledge of linguistics this new edition contains expanded discussions on linguistic anthropology sociolinguistics including an expanded section on trans and nonbinary language and pragmatics The

textbook incorporates a robust set of pedagogical features including marginal definitions a substantial glossary chapter summaries and learning exercises Brand new to this edition are a full International Phonetic Alphabet chart new exercises with languages other than English and new illustrations

**Quadrilingual Education in Singapore** Rita Elaine Silver, Wendy D. Bokhorst-Heng, 2016-01-21 This book explores Singapore's language education system Unlike previous volumes which discuss the bilingual requirement for learning it focuses on Singapore's quadrilingual system bringing together articles on each of the four languages English Mandarin Malay and Tamil as well as articles that examine more than one language It highlights past successes current concerns and future directions for language education The book focuses on classroom pedagogy in all four official languages showcasing how languages are taught and learned in Singapore as a basis for better understanding the system from the inside out The authors present empirical classroom based studies on language pedagogy in all four languages as well as updated information on the current socio political context and how it has influenced attempts at pedagogical innovation Consideration is given to the dialectical relationship between policy and practice The chapters also include discussions of pre school age learning influences of language policy home literacy practices and commentaries by international language in education scholars This approach also provides a basis for international comparison especially for those who are interested in fostering English proficiency while maintaining one or more national languages The volume is particularly important in light of the continuing international efforts to integrate English into national educational systems where it is not the dominant language
