Eric Garner:

I Can't Breathe David Horowitz, 2021-10-05 THE TRUTH ABOUT THE BLACK LIVES MATTER MARTYRS This book is essential Don't miss it MARK LEVIN A brilliant examination of the actual facts of the George Floyd case and the subsequent exploitation of his death by Black Lives Matter LEO TERRELL civil rights attorney commentator In his latest salvo in the battle for America's survival David Horowitz exposes the racial hoax that is spawning riots and dividing the nation Examining the twenty six most notorious cases of police racism from Trayvon Martin and Michael Brown to George Floyd and Breonna Taylor Horowitz demonstrates that Black Lives Matter has lied about every one of them in its quest to undermine law and order fuel race hatred and destroy America In case after case the lies and mythmaking break down under Horowitz's scrutiny Even the chief prosecutor in the George Floyd case was forced to admit that he had no evidence of racial bias while Breonna Taylor the longtime accomplice of a major drug dealer was killed when she and her boyfriend resisted arrest The unchallenged myths about racist murders by the police have brought mayhem and crime to our cities where the victims are predominantly black They are also a slander against the United States the least racist country in history and against black Americans the vast majority of whom are successful and law abiding citizens Now the Biden administration has embraced the false narrative of systemic racism and white supremacy which supposedly infect every aspect of American life using it to justify a witch hunt for domestic terrorists Most Americans black and white know in their bones that this portrayal of their country is a lie An unflinching and courageous accounting *I Can't Breathe* is the urgently needed proof that they are right

A Feminist Critique of Police Stops Josephine Ross, 2020-12-17 If you've dreamed of walking free of sexual harassment you will understand why it's time to end stop and frisk policing [The Routledge History of Police Brutality in America](#) Thomas Aiello, 2023-04-11 This handbook offers a comprehensive historical overview and analysis of police brutality in US history and the variety of ways it has manifested itself Police brutality has been a defining controversy of the modern age brought into focus most readily by the murder of George Floyd in Minneapolis and the mass protests that occurred as a result in 2020 However the problem of police brutality has been consistent throughout American history This volume traces its history back to Antebellum slavery through the Gilded Age the Progressive Era the two world wars and the twentieth century to the present day This handbook is designed to create a generally holistic picture of the phenomenon of police brutality in the United States in all of its major lived forms and confronts a wide range of topics including Race Ethnicity Gender Police reactions to protest movements particularly as they relate to the counterculture and opposition to the Vietnam War Legal and legislative outgrowths against police brutality The representations of police brutality in popular culture forms like film and music The role of technology in publicizing such abuses and the protest movements mounted against it *The Routledge History of Police Brutality in America* will provide a vital reference work for students and scholars of American history African American history criminal justice sociology anthropology and Africana studies **The Use and Abuse of Police**

Power in America Gina Robertiello, 2017-05-12 Providing a timely and much needed investigation of how U S law enforcement carries out its public safety and crime fighting mandates this book is an invaluable resource for students educators and concerned citizens Does America face an epidemic of police officers abusing their powers and disregarding constitutional rights especially in communities of color Or are such accusations unfair especially given the enormous challenges of enforcing the law in 21st century America This book provides a unique frame of reference for understanding how some of the issues between the police and the public emerged identifying events that have shaped current relationships between the police and the public as well as the public s expectations and perceptions of the police An authoritative resource for understanding modern law enforcement and its relationship with American communities this volume addresses subjects including the legal underpinnings of various law enforcement actions and practices the so called militarization of police departments the increased use of force and surveillance to combat crime and terrorism and to generally keep the peace and the perspectives of Black Lives Matter activists and other critics of American law enforcement The entries provide readers with expert analysis of current topics related to the intensifying debate about the American police state examine the scope of law enforcement issues that have existed for centuries and explain why they continue to exist and cover new mandates for exercising police power enabling readers to critically analyze what is presented to them in the media Included throughout the book are excerpts from important laws speeches reports and studies pertaining to the subject of the use and abuse of police power in the United States

Against Hate Carolin Emcke, 2019-02-22 Racism extremism anti democratic sentiment our increasingly polarized world is dominated by a type of thinking that doubts others positions but never its own In a powerful challenge to fundamentalism in all its forms Carolin Emcke one of Germany s leading intellectuals argues that we can only preserve individual freedom and protect people s rights by cherishing and celebrating diversity If we want to safeguard democracy we must have the courage to challenge hatred and the will to fight for and defend plurality in our societies Emcke rises to the challenge that identitarian dogmas and populist narratives pose exposing the way in which they simplify and distort our perception of the world Against Hate is an impassioned call to fight intolerance and defend liberal ideals It will be of great interest to anyone concerned about the darkening politics of our time and searching for ways forward

Make Change Shaun King, 2020-08-04 Activist and journalist Shaun King reflects on the events that made him one of the most prominent social justice leaders of our time and lays out a clear action plan for you to join the fight As a leader of the Black Lives Matter movement Shaun King has become one of the most recognizable and powerful voices on the front lines of civil rights in our time His commitment to reforming the justice system and making America a more equitable place has brought challenges and triumphs soaring victories and crushing defeats Yet throughout his wide ranging activism King s commentary remains rooted in both exhaustive research and abundant passion In Make Change King offers an inspiring look at the moments that have shaped his life and considers the ways social movements can grow and evolve in this

hyperconnected era He shares stories from his efforts leading the Raise the Age campaign and his work fighting police brutality while providing a roadmap for how to stay sane safe and motivated even in the worst of political climates By turns infuriating inspiring and educational Make Change will resonate with those who believe that America can and must do better
