10 Successful Colombian Executives Working Abroad Branwayn, Robert, 2014-04-07. 10 Successful Colombian executives Working Abroad gives us a portrait of how a group of Colombian executives was able to overcome language barriers and develop a convincing and fluid discourse which has allowed them to stand out and empower themselves in the global entrepreneurial arena. Entrepreneurs, intrapreneurs, high executives, and professionals alike need tools in order to dominate the interior voice which inhibits their free and assertive functioning in English. The content of this book brings us closer to successful experiences and models that we can all learn from. It shows us cases where the ability to express ideas in English has enabled these skilled executives to open the doors of excellence and achievement in their careers.
