Soft Skills For Business Dr. C. Nagaraja, 2026-02-03 Soft Skills for Business is a comprehensive guide designed to equip learners with the essential communication and professional competencies required in today's dynamic business world. The book presents a well-structured approach to understanding and applying key soft skills across professional environments. It begins by exploring the principles of communication and its significant role in workplace success. Readers are introduced to various modes of communication including verbal, non-verbal, and written forms, complemented by insights into formal and informal communication systems within organisations. The subsequent modules delve into essential business communication tools such as circulars, memos, and emails, offering practical templates and examples to support effective learning. A rich section on professional writing teaches the art of drafting impactful letters, business correspondence, and well-structured emails. Additionally, the book focuses on career building skills including resume writing, cover letters, meeting documentation, and action reports, all of which enhance employability and workplace readiness. The final module emphasises public speaking and negotiation techniques, highlighting interpersonal communication, teamwork, and cross-cultural understanding. Supported by multiple-choice questions, review exercises, and real-time case examples, this book is an ideal resource for students, young professionals, and anyone aspiring to improve their corporate communication skills. *El-Hi Textbooks and Serials in Print*, 2006
