Ethics Gordon Marino,2010-08-10 In *Ethics The Essential Writings* philosopher Gordon Marino skillfully presents an accessible provocative anthology of both ancient and modern classics on matters moral The philosophers represent 2 500 years of thought from Plato Kant and Nietzsche to Alasdair MacIntyre Susan Wolf and Peter Singer and cover a broad range of topics from the timeless questions of justice morality and faith to the hot button concerns of today such as animal rights our duties to the environment and gender issues Featuring an illuminating preamble concise introductory essays on the giants of ethical theory and incisive chapter headnotes to the modern offerings this Modern Library edition is a perfect single volume reference for students teachers and anyone eager to engage in reflection on ethical questions including What is the basis for our ethical views and judgments Gordon Marino is professor of philosophy and director of the Hong Kierkegaard Library at St Olaf College in Northfield Minnesota A recipient of the Richard J Davis Ethics Award for excellence in writing on ethics and the law he is the author of *Kierkegaard in the Present Age* co editor of *The Cambridge Companion to Kierkegaard* and editor of the Modern Library's *Basic Writings of Existentialism* His essays have appeared in *The New York Times* *100 Conversations You Need to Have (Trilogy)* Perry Giuseppe Rizopoulos,2019-10-01 The notebooks included in the three volume set *100 Conversations You Need to Have* contain A Philosophy Guide A Stoic Philosophy Guide and A Chinese Philosophy Guide Each notebook offers an accessible and thought provoking collection of life's big questions and corresponding answers from some of history's greatest philosophers Readers are provided with the opportunity to answer each question turn the page and receive a short piece of advice from thinkers on topics that include Happiness Friendship Discipline Patience The meaning of life and death And other essential topics The list of philosophers that are featured in each notebook is very multicultural It includes both men and women and spans across time including among others Aristotle Seneca Simone de Beauvoir Lao Tzu Dr Martin Luther King Jr Alfarabi Jean Paul Sartre and Pema Chodron These notebooks duplicate the Socratic dialogue method and embody the idea of philosophy being a pathway to a more fulfilling life by creating 100 meaningful dialogues between the reader and a diverse array of interlocutors who will guide them on their journey to crafting a good life *Business Ethics: Kant, Virtue, and the Nexus of Duty* Richard M. Robinson,2021-12-09 This book offers students a philosophical introduction to the ethical foundations of business management It combines lessons from Kant with virtue ethics and also touches upon additional approaches such as utilitarianism At the core of the book lies the concept of the nexus of imperfect managerial duty building and reinforcing the virtuous managerial team engaging in reasoned discourse among all stakeholders and diligently pursuing business responsibilities including the creative efforts necessary for modern organizations Case illustrations of these applications are presented throughout the book including chapter appendices Ancillary videos test and answer banks and sample syllabi are available online via the author's website

An Anthropology of Ethics James D. Faubion,2011-04-14 Through an ambitious and critical revision of Michel Foucault

s investigation of ethics James Faubion develops an original program of empirical inquiry into the ethical domain From an anthropological perspective Faubion argues that Foucault s specification of the analytical parameters of this domain is the most productive point of departure in conceptualizing its distinctive features He further argues that Foucault s framework is in need of substantial revision to be of genuinely anthropological scope In making this revision Faubion illustrates his program with two extended case studies one of a Portuguese marquis and the other of a dual subject made up of the author and a millenarian prophetess The result is a conceptual apparatus that is able to accommodate ethical pluralism and yield an account of the limits of ethical variation providing a novel resolution of the problem of relativism that has haunted anthropological inquiry into ethics since its inception [Global Encyclopedia of Public Administration, Public Policy, and Governance](#) Ali Farazmand,2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability 11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16 comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manger and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field **Beyond Happiness and Meaning** Steven Mintz,2019-07-02 Should you make provocative comments on social media Should you act in your own self interest and ignore others How can you develop meaningful relationships in life and the workplace Should you or should you not These are the questions of ethical behavior In Beyond Happiness and Meaning Dr Steven Mintz will show you how to make decisions that make life worth living It goes beyond enhancing our own well being to improving the lives of others Life is a contact sport that requires us to leave our comfort zone and engage with

others learn how to do good things make the right choices and follow the ethical path At the end of the journey you will learn how to transform your life and achieve true happiness and meaning Unique in its approach and rich with everyday ethical dilemmas Mintz brings to life the process of ethical decision making that can improve your life and the life of others and bring back civility to society

Feminist Existentialism, Biopolitics, and Critical Phenomenology in a Time of Bad Health Talia Welsh, 2021-10-28 This book explores the personal value of healthy behavior arguing that our modern tendency to praise or blame individuals for their health is politically and economically motivated and has reinforced growing health disparities between the wealthy and poor under the guise of individual responsibility We are awash in concerns about the state of our health and recommendations about how to improve it from medical professionals public health experts and the diet exercise wellness industry The idea that health is about wellness and not just preventing illness becomes increasingly widespread as we find out how various modifiable behaviors such as smoking or our diets impact our health In a critical examination of health we find that alongside the move toward wellness as a state that the individual is responsible to in part produce there is a roll back of public programs This book explores how this good health imperative is not as apolitical as one might assume The more the individual is the locus of health the less structural and historical issues that create health disparities are considered Feminist Existentialism Biopolitics and Critical Phenomenology in a Time of Bad Health s charts the impact of the increasing shift to a model of individual responsibility for one s health It will benefit readers who are interested to think critically about normalization to produce healthy bodies In addition this book will benefit readers who understand the value of personal health but are wary of the ways in which health can be used as a tool to discriminate and fuel inequalities in health care access This volume is primarily of interest to academics students public health and medical professionals and readers who are interested in critically examining health from philosophical perspective in order to understand how we can celebrate the value of healthy behavior without reinforcing discrimination The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Imperfect Duties of Management Richard M. Robinson, 2018-10-08 This book uses Kant s idea of imperfect duty to extend the theory of the firm Unlike perfect duty which is contractual or otherwise legally binding imperfect duty consists of those commitments of choice that pursue some moral value but that have practical limits to their pursuit The author presents a broad view of the imperfect duties of management defined as a nexus of all commitments to do good involving relations internal and external to the firm This nexus consists of three overlapping categories of i building a virtuous managerial community ii pursuing reasoned managerial discourse and iii diligent and reasoned pursuit of the body of routine managerial duties such as capital budgeting and internal controls Specific applications of the nexus theory for stakeholder relations via fair negotiation and for analysis of the effects on the managerial team of perquisite consumption are presented This book has major implications for research in business ethics and allows

critical insights into managerial decision making **The Global Ape: Between Extinction and Transcendence** Dan Corjescu,2022-04-26 What is Man What is his nature Where is he going These are but some of the questions this book is trying to find answers to They are questions that will take us on a fascinating intellectual journey encompassing politics history sociology philosophy religion and science Along the way you will encounter many great thinkers such as Aristotle and Nietzsche to name but two as well as be confronted by some of humanity s most sublime achievements and horrific failures After reading this book you will have a better understanding of humankind s potential for good and evil and our chances for survival and transcendence in the not too distant future **A Bibliographical Survey for a Foundation in Philosophy** Francis Elliott Jordak,1978 An Introduction to Modern Philosophy Alburey Castell,Donald M. Borchert,1988 Freedom: Its History, Nature, and Varieties Robert E. Dewey,1970 Offerings of various of writings and transcripts of speeches
