Cost Accounting Margaret H. Christ, D. Kip Holderness (Jr.), Vernon J. Richardson, 2024. The role of management accountants is to analyze data to help organizations make effective business decisions. Thanks to an ever-increasing amount of data generated by companies, the opportunities for management accountants to provide data-driven insights have never been greater. We believe that students can prepare for an accounting career not only by understanding the methods and procedures of cost accounting but also by learning how to examine and analyze data, interpret the results, and share insight with others in their organizations.
