Falsettos:

New York Magazine, 1992-05-25 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

American Musicals in Context Thomas A. Greenfield, 2021-03-29 *American Musicals in Context* From the American Revolution to the 21st Century gives students a fresh look at history-based musicals, helping readers to understand the American story through one of the country's most celebrated art forms: the musical. With the hit musical *Hamilton* (2015) captivating audiences and reshaping the way early U.S. history is taught and written about, this book offers insight into an array of musicals that explore U.S. history. The work provides a synopsis, overview of critical and audience reception, and historical context and analysis for each of 20 musicals selected for the unique and illuminating way they present the American story on the stage. Specifically, this volume explores musicals that have centered their themes on characters and plots on some aspect of America's complex and ever-changing history. Each, in its own way, helps us rediscover pivotal national crises, key political decisions, defining moral choices, unspeakable and unresolved injustices, important and untold stories, defeats, and victories won in the face of monumental adversity and the sacrifices borne publicly and privately in the process of creating the American narrative. One story at a time, students will come away from the volume armed with the critical thinking skills necessary to discern fact from fiction in U.S. history.

Vocal Selections from Falsettos William Finn, 1992

Milestones in Queer US Theatre Dennis Sloan, 2025-07-07 This introduction to queer theatre and performance in the United States explores the pioneering artists that have shaped this ever-changing field across the past two centuries through ten key moments and movements. Designed for weekly use in queer and LGBTQ theatre courses, the ten chosen milestones move chronologically from nineteenth-century shifts in the understanding of homosexuality through the queer postmodernist avant-garde to the rise of intersectionality and recognition of trans identities. This clear, dynamic framework uses queer as a flexible and intersectional term, addressing sexualities and sexual identities, the people and groups who claim them, and the practices that challenge heteronormative structures. Milestones are a range of accessible textbooks breaking down the need to know moments in the social, cultural, political, and artistic development of foundational subject areas.

Queer Musicals Robert W. Schneider, 2025-08-21 What links the shows *La Cage aux Folles*, *Kinky Boots*, and *BARE*? When was the first queer musical produced on Broadway? How has queerness evolved in the context of mainstream Broadway musicals? *Queer Musicals* takes a chronological look at queer musicals that have developed on Broadway throughout the second half of the twentieth century to the early twenty-first century. Looking at the inception and development of each show, this accessible study unpacks the creation, production, and reception of each musical in order to draw parallels within

the wider American dramatic canon Pulling from multiple primary resources each chapter traces the show from its inception to its opening night It introduces the reader to each musical's key creators and company members and places them in the larger context of Broadway history After examining the contemporary reception of each show and its cultural impact both when it opened and now it answers the question as to how and why queerness has evolved from being an anomaly to common in Musical Theatre storytelling Published in Methuen Drama's Essential Musicals series this book is perfect for students of Musical Theatre drawing together different resources to dig into the backstories of Broadway's biggest hits and mining the historical record for nuggets of information that illuminate our understanding and enhance our enjoyment of musical theatre's unique brand of magic

Gay and Lesbian Literary Heritage Claude J. Summers, 2014-02-25 The revised edition of *The Gay and Lesbian Literary Heritage* is a reader's companion to this impressive body of work It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world New articles in this volume feature authors such as Michael Cunningham Tony Kushner Anne Lister Kate Millet Jan Morris Terrence McNally and Sarah Waters essays on topics such as Comedy of Manners and Autobiography and overviews of Danish Norwegian Philippines and Swedish literatures as well as updated and revised articles and bibliographies

Falsettos William Finn, James Lapine, 1995 A seamless pairing of *March of the Falsettos* and *Falsettoland* acclaimed off Broadway musicals written nearly a decade apart It is the jaunty tale of Marvin who leaves his wife and young son to live with another man His ex wife marries his psychiatrist and Marvin ends up alone Two years later Marvin is reunited with his lover on the eve of his son's bar mitzvah just as AIDS is beginning its insidious spread Publisher **The Horse-breeder's Guide and Hand Book** Sanders Dewees Bruce, 1883 *Broadway Musicals: Show by Show* Stanley Green, Kay Green, 2008-11 The most comprehensive and widely used Broadway reference book has been expanded and updated to include nearly 400 of the most important and memorable productions of the American musical theatre including revivals Chronologically arranged beginning with *The Black Crook* in 1866 the sixth edition adds entries on numerous musicals from recent years including *The Lion King* *Hairspray* *The Producers* *Wicked* *Mamma Mia* *Thoroughly Modern Millie* *Avenue Q* and others Features a wealth of statistics including music and lyrics information names of producers directors and choreographers cast lists New York run dates songs and more Also includes inside information info on critical reception and pithy commentary about each show *Raise Your Voice* Jaime Vendera, 2007 The owner's guide to the voice this book will help you develop an understanding of the voice and how it works **March of the Falsettos** William Finn, 1981 *March of the Falsettos* is the title song of this act of the show William Finn planned on calling the show *The Pettiness of Misogyny* but then he decided to go with a less direct and more subtle title calling it *March of the Falsettos* But what does the title mean

The central theme of the show is the characters lack of maturity as they also state themselves in this song and their journey of growing out of their childish behavior Something that for instance Marvin needs to do to be the father Jason needs Jason whose voice hasn't yet changed sings an octave higher than the other three men throughout the show This is the only song that all four men sing in the same register since Marvin Medel and Whizzer sing in the falsetto losing the symbol of manhood their changed voices None of these men have grown up yet All of them are still very self centered self involved and insist on getting whatever they want The March of the Falsettos is their journey from childhood to becoming adults **The**
