*Nine Pillars of Success* George Mfula ,2022-03-14 *Nine Pillars of Success* is a worthy read I believe everyone has a destiny but not every destiny will be successful Even at the coming of our Lord Jesus Christ there will be people who will have unfulfilled destinies Hence this book is written to hand over to you the keys you need to fulfill your destiny in a grand style with unparalleled results What is destiny Destiny is your fate fortune or future as designed by God in His wisdom before you were even born You are a destiny carrier by virtue of your existence in God You existed in the mind of God even before you were born physically I believe that God has deposited in you an incomparable future which is locked up within you What you have to understand is that destiny does not start here on earth It started before you were even born into this world You are not an accident by birth Your destiny and life are a well pre arranged agenda of God That is why you don t have to create your own destiny but all you have to do is to discover or locate the details of your destiny in Christ Jesus Thus this book is written to rewrite re define and unlock your destiny Hence you can t afford but to fulfill your God ordained assignment on earth in Christ Jesus

***Along The Road To Heaven*** Jeffrey Langer,2006-08 Shortly after finishing my last book *Aliens and Cowboys* I found myself with time on my hands so I began writing songs The driving motivation for this book began when I moved to Auburndale Florida Polk County is a rural community home to orange groves and sparkling fresh water lakes this is

the first time I spent any amount of time with country folks I started listening predominately to country music and evangelists on the radio A short time later I realized these outside influences were changing the nature of my words and themes For nine months I lived in Polk County the rest of the time I lived with my father and brother after separating with my long time girl friend I finished this book at King s Point in Delray Beach Florida The selections picked for this book reflect real life after all they come from real people and true life events The songs poetry in this book were inspired by people I know people I ve spoke with in person and in chat rooms on the web The songs are about the Cast Of Characters that have been in and out of my life for the past year I am not sure how some of the people I wrote about will react about the stories I tell after all they are my interpretation of their words their tears their hopes and yes their fears but also their optimism faith in god and love of life It celebrates the human spirit that begins our everyday and never goes away Be well keep your head up and see you along the road to heaven Jeffrey Langer     *The Poets and Poetry of Ireland* Alfred Mason Williams,1881     The Book of Modern Catholic Verse ,1926
