Nelson English - Development Book 2 John Jackman, Wendy Wren, 1994 This is part of a six level English course: foundation level to level five for pupils between five and 12 years old. The course employs a twin track structure that enables teachers to underpin students' language development with a rigorous skills programme. There are two pupils' books at each level: a skills book covering comprehension with emphasis on literal grammar, punctuation, vocabulary and spelling, and a development book covering comprehension with emphasis on inferential, the craft of quality writing, forms of writing, styles of writing and composition skills. Each level also has a teacher's resource book which supports both tracks, includes photocopiable activity sheets and correlations for all UK curricula, suggests strategies for developing listening and speaking skills and helps support record keeping and assessment. **Nelson English - Book 2 Teacher's Guide** John Jackman, Wendy Wren, 2000 Each pair of units is supported by the Teachers Guide. The Teachers Guide fully supports the programme, giving all the guidance you need to help your pupils work through the two pupils' books. In the Teachers Guide there are suggestions for homework and independent study. *Nelson English International Teacher's Resource Book 3* John Jackman, Wendy Wren, 2014-11 The Teachers Resource Book will show how the course provides an underpinning structure to the teaching of English, focusing particularly on the knowledge, skills and understanding of writing, while giving ample opportunity for reading, listening and speaking. Notes are given on how new skills and concepts are introduced slowly and progressively and it is never assumed that a concept has been mastered simply because it has been introduced before. The

teacher is able to monitor and estimate progress and attainment in a constant and convenient way as assessment is an important component of the pupil material Opportunities are constantly offered for reinforcement and revision and when related skills and concepts are being introduced the activities are designed to allow for earlier material to be revisited
