# Kumon Level J Test Answer Book

**Daniela Niemeyer**

## **Kumon Level J Test Answer Book:**

**Resources in Education** ,1991      The Executive Educator ,1992      Mangajin's Basic Japanese Through Comics, Part 2 ,1996  
Publisher description This book presents some very basic words and phrases along with some that are not usually considered basic at all but the Mangajin method can make even advanced material accessible to students at all levels Frames from authentic Japanese manga comics are used to illustrate every point with English translations and notes allowing the basic beginner to understand materials that might otherwise stump even advanced students To make written Japanese accessible to all readers Mangajin uses a 4 line format This format also shows the linguistic logic of Japanese how words are strung together to present an idea Understanding this flow is an important step in getting a feel for the language This work is not intended as a textbook but rather as an entertaining supplement to a more structured study of Japanese The 24 lessons in this book are a compilation of the Basic Japanese column from Mangajin magazine they do not build on each other so they can be read or studied in any order
