

# OUR CHOSEN FAITH

*An Introduction to  
Unitarian Universalism*

*John A. Buehrens and  
E. Forrester Church*

*With a Foreword by William F. Schulz*

# A Chosen Faith An Introduction To Unitarian Universalism

**Lydia Willsky-Ciollo**

## **A Chosen Faith An Introduction To Unitarian Universalism:**

A Chosen Faith John A. Buehrens, Forrest Church, 1998-06-01 An updated edition of the classic introduction to the history and beliefs of Unitarian Universalism from a senior minister of the Unitarian Church For those contemplating religious choices Unitarian Universalism offers an appealing alternative to religious denominations that stress theological creeds over individual conviction and belief Featuring two new chapters a revealing and entertaining foreword by best selling author Robert Fulghum and a new preface by UU moderator Denise Davidoff this updated edition of the classic introductory text on Unitarian Universalism explores the many sources of the living tradition of this chosen faith

**A Chosen Faith** John A. Buehrens, F. Forrester Church, 1998 For those contemplating religious choices Unitarian Universalism offers an appealing alternative to religious denominations that stress theological creeds over individual conviction and belief In this new edition of the classic introductory text on Unitarian Universalism which includes a revealing entertaining foreword by best selling author Robert Fulghum a new preface by UU moderator Denise Davidoff and two new chapters by the authors John Buehrens and Forrest Church explore the many sources of the living tradition of their chosen faith

**Our Chosen Faith** John A. Buehrens, F. Forrester Church, 1989

**Our Chosen Faith** Joan Goodwin, Unitarian Universalist Association, 1991 This six session program for individuals and groups explores Our chosen faith an introduction to Unitarian Universalism by John A Buehrens and F Forrester Church

**The Challenge of the Cults and New Religions** Ron Rhodes, 2009-08-30 Cults and New Religions Aren't Hard to Find They're in your neighborhood your workplace your school maybe even your family Cults are flourishing across America Chances are you've encountered one perhaps even know someone who is involved in a cult Can you discuss knowledgeably the critical differences between Christianity and the teachings of Mormonism Jehovah's Witnesses Scientology the New Age movement Hindu based cults and other prominent groups and religious movements In this essential resource preeminent cult authority Ron Rhodes explains what cults are why they are cause for concern and why in the 21st century as never before their numbers and memberships are exploding nationally and worldwide Drawing on his extensive experience as a cult researcher Rhodes offers to the point cutting edge information on twelve major cults and new religions Mormonism Jehovah's Witnesses Mind Sciences New Age Movement Church of Scientology Hindu based Cults Unification Church Baha'i Faith Unitarian Universalism Oneness Pentecostalism Masonic Lodge Satanism Learning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter The Challenge of the Cults and New Religion includes Color photos Scripture Index Subject Index Glossary Bibliography And your resources don't end at the last page You can supplement your knowledge whenever you choose by visiting the author's Web site at [www.ronrhodes.org](http://www.ronrhodes.org) for free thorough up to the minute information on each cult discussed in the book If you're concerned for the temporal and eternal welfare of others The Challenge of the Cults is a must It will help you confront the deception of false Christs and lying doctrines with the clear well grounded truth of biblical Christianity

Unitarian

Universalism Zondervan,2009-12-15 Fast informed answers to the challenges of false religions This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non Trinitarian Christian sects to witchcraft and neo paganism to classic non Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood

**Articulating Your UU Faith** Barbara Wells,Jaco B. ten Hove,2003

**American Unitarianism and the Protestant Dilemma** Lydia Willsky-Ciollo,2015-11-11 American Unitarians were not onlookers to the drama of Protestantism in the nineteenth century but active participants in its central conundrum biblical authority Unitarians sought what other Protestants sought which was to establish the Bible as the primary authority only to find that the task was not so simple as they had hoped This book revisits the story of nineteenth century American Unitarianism proposing that Unitarianism was founded and shaped by the twin hopes of maintaining biblical authority and committing to total free inquiry This story fits into the larger narrative of Protestantism which this book argues has been defined by a deep devotion to the singular authority of the Bible sola scriptura and conversely a troubling ambivalence as to how such authority should function How in other words can a book serve as a source of authority This work traces the greater narrative of biblical authority in Protestantism through the story of four main Unitarian figures William Ellery Channing Andrews Norton Theodore Parker and Frederic Henry Hedge All four individuals played a central role at different times in shaping Unitarianism and in determining how exactly religious authority functioned in their nascent denomination Besides these central figures the book goes both backward examining the evolution of biblical authority from the late medieval period in Europe to the early nineteenth century in America and forward exploring the period of Unitarian experimentation of religious

authority in the late nineteenth century The book also brings the book firmly into the present exploring how questions about the Bible and religious authority are being answered today by contemporary Unitarian Universalists Overall this book aims to bring the American Unitarians firmly back into the historical and historiographical conversation not as outliers but as religious people deeply committed to solving the Protestant dilemma of religious authority

**Good and Evil Perspectives to Know** D. G. Reagle, 2025-04-11 In writing this book I set out with two main goals to create an accessible resource for anyone curious about life's big questions and to satisfy my own quest for answers While I often find the answers I seek they frequently lead to more questions especially on the nature of good and evil This concept has long intrigued me and for many it's a central question about God Over the past forty years I've explored these questions across the globe and contemplating the universe's mysteries While my conclusions may not resonate with everyone I hope to guide readers in finding answers that bring them peace Understanding good and evil can be deeply personal and I believe there's no single right answer what matters is discovering a perspective that aligns with your beliefs Various perspectives on good and evil emerge from religion philosophy and influential thinkers each offering unique insights Some overlap while others diverge significantly I invite you to consider questions like What defines good and evil for you Are they universal or culturally specific Is there a moral foundation and if so whose morals are they These reflections can encourage deeper exploration and build empathy

**Connecting Christ** Paul Louis Metzger, 2012-05-07 We live in a multifaith society an ever growing diverse cultural climate where no religion is viewed as having a monopoly on truth It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life's most important conversations Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions skills that are crucial in defending against today's negative connotations and ineffective approaches associated with Christian evangelism With extensive commentary from leaders of various walks of faith and life from Judaism to Islam and Buddhism to atheism theologian and author Dr Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ Filled with practical guidance and insight into controversial topics such as hell fascism and homosexuality Connecting Christ reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon compassionate God revealed in Jesus Christ the Savior this world is dying to know

**Religious Humanism**, 1991 [World Encyclopaedia of Interfaith Studies: Introduction to interfaith studies and ecumenism](#), 2009 *The Unitarian Universalist Pocket Guide* William F. Schulz, 1993 This third edition features a new preface by President John Buehrens plus these new essays Sharing Our Faith by Bill Sinkford and Kay Montgomery Our Ministry by Jane Rzepka and Our Work for Social Justice and Diversity by Jacqui James and Meg Riley Additional essays

on our faith Unitarian Universalist roots worship religious education and important dates in Unitarian Universalist history make the Pocket Guide a broadly appealing resource for visitors newcomers and other readers who Want an inviting accessible overview of our rich liberal religious tradition The World ,1997 **Italian Americana** ,2009 **In the Eyes of God** Fernando Escalante Gonzalbo,2006-03 Every culture needs to appropriate the universal truth of human suffering says Fernando Escalante to give its own meaning to this suffering so that human existence is bearable Originally published in Spanish as La mirada de Dios Estudios sobre la cultura del sufrimiento this book is a remarkable study of the evolution of the culture of suffering and the different elements that constitute it beginning with a reading of Rousseau and ending with the appearance of the Shoah in the Western consciousness The memory endures and this constitutes a fundamental transition for the Western conscience we have witnessed Drawing on writings from the Greeks to Cervantes Voltaire to Nietzsche and Freud to William James Escalante combines his considerable knowledge of politics and political theory with a vast array of literary examples to arrive at an intellectual understanding of the history and meaning of suffering His investigation encompasses the rise of popular politics the role of messianism in modern nationalism and the contemporary implications of the Shoah This book will appeal to a wide audience students of political theory humanism and philosophy as well as the general reader interested in a glimpse into the mind of a highly original Latin American thinker Reference & User Services Quarterly ,2007 **Louis Kahn** Mateo Kries,Jochen Eisenbrand,Stanislaus von Moos,2012 The American architect Louis Kahn 1901 1974 is regarded as one of the great master builders of the twentieth century With complex spatial compositions an elemental formal vocabulary and a choreographic mastery of light Kahn created buildings of archaic beauty As the first comprehensive publication on this architect in 20 years the book Louis Kahn The Power of Architecture presents all of his important projects It includes essays by prominent Kahn experts and an expansive illustrated biography with many new facts and insights about Kahn s life and work In a number of interviews leading architects such as Frank Gehry Renzo Piano Peter Zumthor and Sou Fujimoto underline Kahn s significance in today s architectural discourse An extensive catalogue of works features original drawings and architectural models from the Kahn archive The compendium is further augmented by a portfolio of Kahn s travel drawings as well as photographs by Thomas Florschuetz which offer completely new views of the Salk Institute and the Indian Institute of Management **Religious Pluralism in the Academy** Robert J. Nash,2001 This book argues that American colleges and universities need to enlarge their understanding of pluralism and multiculturalism by sponsoring open challenging spiritually and educationally revitalizing conversations among students about genuine religious difference Although religious difference is a pivotal component of cultural pluralism too often today it gets ignored marginalized or sugar coated in higher education Together administrators faculty and students must take the initiative to transform the academy into an exciting space for robust and respectful religious dialogue throughout the campus This book offers a number of concrete examples and strategies in each chapter for achieving this objective Dictionary of

Cults, Sects, Religions, and the Occult George A. Mather, Larry A. Nichols, 1993 In a complete survey of cults sects and religions around the world Mather and Nichols provide definitions and brief descriptions that evaluate each group on the basis of the historic creeds of Christianity Included are Santeria Rastafarians Haitian Voodoo and more
