

Archival Research Techniques

01

Source Evaluation

Assess the reliability of each primary source by checking authorship, content, and credibility to determine its relevance to the historiographical question.

02

Data Collection

Systematically gather documents, letters, and records from archives, maintain organized notes to track sources for future reference and analysis throughout your research.

03

Contextual Analysis

Analyze the historical setting of each source by identifying the socio-political climate of the time to better understand implications and biases in the materials.

04

Cross-Referencing

Compare findings across multiple sources to identify common themes, discrepancies, or new perspectives, enhancing the depth and credibility of your research.

05

Critical Reflection

Continuously reflect on your research journey, adapt questions and methodologies based on findings to improve the quality and focus of your historiographical study.
