The Communication Age Autumn Edwards, Chad Edwards, Shawn T. Wahl, Scott A. Myers, 2012-08-09 We are in the communication age No matter who you are or how you communicate from baby boomers to millennials born digital or getting there we are all members of a society who connect through the internet not just to it From face to face to Facebook this book invites you to join the conversation about today s issues and have your voice heard This contemporary and engaging text is built from the ground up to bridge the gap and unite our diverse community It shows students how to apply foundational concepts while incorporating technology media and speech communication to foster civic engagement for a better future We are communication

Encyclopedia of Social Media and Politics Kerric Harvey, 2013-12-20 The Encyclopedia of Social Media and Politics explores how the rise of social media is altering politics both in the United States and in key moments movements and places around the world Its scope encompasses the disruptive technologies and activities that are changing basic patterns in American politics and the amazing transformations that social media use is rendering in other political systems heretofore resistant to democratization and change In a time when social media are revolutionizing and galvanizing politics in the United States and around the world this encyclopedia is a must have reference It reflects the changing landscape of politics where old modes and methods of political communication from elites to the masses top down and from the masses to elites bottom up are being displaced rapidly by social media and where activists are building new movements and protests using social media to alter mainstream political agendas Key Features This three volume A to Z encyclopedia set includes 600 short essays on high interest topics that explore social media s impact on politics such as Activists and Activism Issues and Social Media Politics and Social Media and Popular Uprisings and Protest A stellar array of world renowned scholars have written entries in a clear and accessible style that invites readers to explore and reflect on the use of social media by political candidates in this country as well as the use of social media in protests overseas Unique to this book is a detailed appendix with material unavailable anywhere else tracking and illustrating social media usage by U S Senators and Congressmen This encyclopedia set is a must have general non technical resource for students and researchers who seek to understand how the changes in social networking through social media are affecting politics both in the United States and in selected countries or regions around the world Key Themes Opening Essays Celebrities and Pioneers in Social Media and Politics Congressional Social Media Usage Most Active Members Measuring Social Media s Political Impact Misuse of Social Media in the Political Arena Issues and Ethics Social Media Candidates and Campaigns Social Media Politics and Culture Social Media and Networking Websites Social Media and Political Unrest Social Media and Social Issues Activism and Movements Social Media Concepts and Theorie Social Media Regulation Public Policy and Actual Practice Social Media Types Innovation and Technology

Encyclopedia of Sports Management and Marketing Linda E. Swayne, Mark Dodds, 2011-08-08 This four volume set introduces on the management side principles and procedures of economics

budgeting and finance leadership governance communication business law and ethics and human resources practices all in the sports context On the marketing side this reference resource explores two broad streams marketing of sport and of sport related products promoting a particular team or selling team and sport related merchandise for example and using sports as a platform for marketing non sports products such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament Together these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today providing an invaluable print or online resource for student researchers
