Disciples in Action LeRoy Eims,1981 *"The" Monist* ,1894 Finding the Synoptic Gospels' Construction Process Hojoon Ahn,2024-06-11 This study critically examines the current state of Synoptic Gospel studies particularly many scholars reliance on the Literary Dependence Hypothesis and endeavors to advance a more balanced approach The author attempts to deduce the Synoptic Gospels construction process by meticulously examining the Eucharist and its co text within these Gospels by employing a model of Mode Register Analysis based on Systemic Functional Linguistics This study uncovers the probability that each designated text in the Synoptic Gospels was constructed based on oral Gospel tradition s under the influence of each constructor s identity **The Monist** Paul Carus,1894 Vols 2 and 5 include appendices **A Harmonized Exposition of the Four Gospels** Andrew Edward Breen,1908 Theological quarterly ,1907 *The Word* ,1910 Mark's Memory Resources and the Controversy Stories (Mark 2:1-3:6) Yoon-Man Park,2010 Drawing on frame theory from cognitive science this book shows that as a product of oral aural cultures the Gospel of Mark is basically an background knowledge based story and hence it can be only properly understood by the help of frames which the speaker and audience shared *The Homoeopathic World* ,1879 **The Acts of the Apostles** David Thomas,1889 **A Marginal Jew: Rethinking the Historical Jesus, Volume IV** John P. Meier,2009-06-02 John Meier s previous volumes in the acclaimed series A Marginal Jew are founded upon the notion that while solid historical information about Jesus is quite limited people of different faiths can nevertheless arrive at a consensus on fundamental historical facts of his life In this eagerly anticipated fourth volume in the series Meier approaches a fresh topic the teachings of the historical Jesus concerning Mosaic Law and morality with the same rigor thoroughness accuracy and insightfulness on display in his earlier works **Dictionary of Jesus and the Gospels (2nd edn)** J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the

Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church **Ford's Christian Repository & Home Circle** ,1889 The Raft ,1974 Commemoration volume for Upalisan Jumbala M C 1899 1974

"*Theosophie des Julius*" Friedrich Schiller,1919 **The Natural History of the Christian Religion** William Mackintosh,1894 *The Christian Century* ,1919 *American Ecclesiastical Review* Herman Joseph Heuser,1933 The Christian Faith Friedrich Schleiermacher,1928 In the opinion of competent thinkers the Christian Faith of Schleiermacher is with the exception of Calvin s Institutes the most important work covering the whole field of doctrine to which Protestant theology can point To say this is not necessarily to adopt either his fundamental principles or the detailed conclusions to which these principles have guided him On all such matters a nearly unbroken controversy has long prevailed Indeed at the moment a formidable attack is being delivered upon his main positions by a new and active school of thought in Germany But whether for acceptance or rejection it is necessary for serious students to know what Schleiermacher has to say Editors preface page v *The Gospel According to Matthew* G. Campbell Morgan,2017-01-30 This volume based on seventy three sermons that consecutively cover Matthew s Gospel receives strength through the very roughness and directness of the word spoken under the inspiration of vast visible audiences while addressed to the impressionable hearts of men From first to last the various units in the exposition proceed on the assumption that it was the intention of the writer to set forth the Person of our Lord in relation to His kingly office So from the mystic account of His advent in human history through the record of the authority of His ethical enunciation the mercifulness of His method the majesty of His death and the glory of His resurrection to the ringing claim of all authority and the clarion command to disciple the nations we are ever in the presence of the King In an enthusiastic review the Sunday School Times observes It will prove a mine of treasure for teaching the Sunday school lessons There is hardly a page from which some expression of great force does not strike out at the reader
