web after reading the harry potter and hunger game series it s nice to read a light entertaining story without characters dieing though it is sad how theodosia s parents ignore her it s borderline abuse i believe staff of osiris is better than the first book serpents of chaos

web this is really delightful piece the opening has a wistful quality with a lush melody rising and falling over a flowing accompaniment the rag trips along with spritely semiquavers outlining the familiar rhythms it s really cheeky there s plenty to advance an intermediate player here plus it would make a great encore
