

Describe yourself interview question sample answer

Interviewers will sometimes start an interview with an open-ended question like "Tell me about yourself." It's a way to break the ice and make you feel more comfortable during the interview process. It's also a way for the hiring manager to get insight into your personality to help determine if you're a good fit for the job.

Sharing too much or too little information isn't a good idea. The interviewer doesn't want to know everything about you, but disclosing too little can make him or her wonder why you aren't more open.
