

English

Common Core State Standards

8th Grade

verbs, conjunctions, prepositions, interjections, common, direct & implied, content clause, phrases & clauses, relative clauses & adverb

Shifts in Verb Tense

L.8-10

When you are writing, try to avoid shifts in verb tense, especially within a sentence. In general, if you are writing in the present tense, stay in the present tense. If you are writing in the past tense, stay in the past tense. Shifting tenses may confuse your reader!

Often, reading a sentence aloud can help you determine whether there is an inappropriate shift in verb tense.

EX: Incorrect: While she plays soccer, the telephone will ring.
present tense future tense

Correct: While she plays soccer, her telephone rings.
present tense present tense

Incorrect: I was thrilled with my English grade because I will study hard.
past tense future tense

Correct: I was thrilled with my English grade because I studied hard.
past tense past tense

present perfect tense

Incorrect: The museum has opened at ten o'clock this week, but the restaurant will have opened at eleven o'clock.
future perfect tense

present perfect tense

Correct: The museum has opened at ten o'clock this week, but the restaurant has opened at eleven o'clock.
present perfect tense

Now You Try It!

Rewrite the following sentences to correct the inappropriate shifts in verb tense.

- Henry exercised every day after he will get out of school.
- During the concert, Sammy stood up and then spills his drink.
- Laurie stretches and then yawned.
- The sports complex closes early, and all classes will be canceled.
- The school community will miss but remembered Mrs. Mitchell.

CAPITALIZATION

L.8-10

We use capital letters in the following instances:

- At the beginning of a sentence:

EX: We were late because we missed the bus.

- For the word *I* and to begin a proper noun:

EX: My family will visit the Grand Canyon.
Rio Grande, Jorge, and I worked on the project all weekend.

- For abbreviations and acronyms:

EX: I have an appointment with Dr. James next week.
The NASA scientists discovered a new star.

- For days of the week, holidays, and months of the year, but not seasons:

EX: Susan is going to visit us this fall for Thanksgiving.
Our first basketball game is on Tuesday.

CONJUNCTIONS

L.8-10

We use conjunctions to join words or groups of words in a sentence. You probably use conjunctions all the time without knowing it!

- Coordinating conjunctions** join words and clauses that are equal, meaning they have the same part of speech. For example, they might connect two nouns, two verbs, or two independent clauses.

EX: We bought apples **and** bananas.
(**and** joins two nouns)

Carson will go swimming **or** fishing this afternoon. (**or** joins two verbs)

Dave and Lara **didn't** get to see the movie, **yet** they were able to attend the dance. (**yet** joins two independent clauses)

The pool is closed, **but** the tennis courts are open. (**but** joins two independent clauses)

- Subordinating conjunctions** join an independent clause and a dependent clause. In other words, one clause is dependent on the other. It can't stand on its own.

Dependent clause
Independent clause

EX: After Ted ran the marathon, he fell in exhaustion.

Linda **didn't** want to go to the mall **because** she **didn't** have any money.

Until we find out the details, we **won't** be able to make final plans.

- Correlative conjunctions** contain two words that always go together. They must join equal sentence elements.

EX: I had to **either** study for the test **or** risk failing it.

She **not only** forgot to bring the cake **but also** forgot to bake it!

Coordinating Conjunctions

and	or
but	so
nor	yet

Subordinating Conjunctions

after	before	than
although	how	that
as	if	though
because	since	until

Correlative Conjunctions

both...and
either...or
neither...nor

Now You Try It!

Fill in the correct correlative conjunction to best complete each sentence.

- Hayden _____, Sammy knows how to drive a car.
- I love science, so I am going to study _____ chemistry _____ biology.
- We want to go _____ to Florida _____ to California for our vacation.
- _____ do the students have a math test.
