

CASI™

Career Attitudes and Strategies Inventory™

John L. Holland, PhD and Gary D. Gottfredson, PhD

This booklet contains some statements people sometimes make about their work — about the good and bad feelings, attitudes, and experiences people have from time to time.

The statements are not really “true” or “false.” They are opinion statements that you may feel are more true than false — or more false than true. Although it is sometimes awkward, please indicate whether each statement is true, mostly true, mostly false, or false. You need not answer any question you prefer to omit, but this inventory will be most helpful if you answer every question.

Completing this inventory is one step in sorting out your own attitudes about your work and your career plans. You may find that these questions stimulate you to consider aspects of your career that you tend to ignore.

Describe your current work. If you are unemployed, describe your most recent job, volunteer experience, or unpaid work.

When you have filled in the answer sheet, follow the directions on the second page of your answer sheet to score your inventory.

Instructions

Please mark answers by circling one letter on the answer sheet to show how you think or feel about each statement.

- F** False
- F** Mostly false
- T** Mostly true
- T** True

For example, if you feel that a statement is mostly true about you, you would circle the T on your answer sheet.

Example: **F** **F** **(T)** **T**

Press firmly. Your responses are being transferred to a second page that you will use to summarize your answers. If you make a mistake or change your mind, mark an X through the answer you wish to change and circle another letter.
