Dollars and nonCents Matt Erickson,2014-04-17 For increasing numbers of liberty minded Americans these United States of America today stand uncomfortably close to the perilous edge which descends into absolute tyranny But America needn't fall into that abyss we must simply understand precisely how government has creatively expanded beyond the spirit of the Constitution to be able to pull her back within it Dollars and nonCents discloses how our money of gold and silver coin was cunningly removed from circulation and deceptively substituted with a destabilizing legal tender paper currency Understanding how the federal government acts in this particular case allows us to understand how it acts in all Cases whatsoever in all cases except where it is expressly prohibited with a power which has defied all attempts to limit it With this knowledge a blueprint may then be formed to restore liberty and justice once and for all with limited government again operating under strict construction of the whole Constitution
