The 2020 Project Asian Development Bank, 2002. Developed to find solutions to the widening gap in prosperity between eastern China and the country's western provinces, this report examines the land degradation, desertification, and erosion problems that face the western region. Also noted is the dearth of health and education facilities, as well as the lack of a 21st-century infrastructure. In concluding the report, it points out opportunities for increased employment and summarizes potential policy directions and recommendations.
