

# CHAPTER 18

## Revenue Recognition

### LEARNING OBJECTIVES

After studying this chapter, you should be able to:

1. Understand the fundamental concepts related to revenue recognition and measurement.
2. Understand and apply the five-step revenue recognition process.
3. Apply the five-step process to major revenue recognition issues.
4. Describe presentation and disclosure regarding revenue.

This chapter also includes numerous conceptual discussions that are integral to the topics presented here. Because of the converged IASB/FASB standard on revenue recognition, there is no *Global Accounting Insights* in this chapter.

### PREVIEW OF CHAPTER 18

As indicated in the following opening story, the issue of when revenue should be recognized is complex. The many methods of marketing products and services make it difficult to develop guidelines that will apply to all situations. This chapter provides you with general guidelines used in most business transactions. The content and organization of the chapter are as follows.
