

Planning Engineer

Dan Budzynski

City, State

000-000-0000

email@email.com

Summary

An analytical thinker and problem solver by nature with an aptitude for timely project execution and excellent communication skills that benefit both the company and the client. Many years of experience in planning, monitoring and controlling processes of major transportation/infrastructure construction projects, have produced a fast learning individual who excels at team leadership and has developed interpersonal professional skills that result in long and fruitful partnerships. A great passion and drive for a long and productive career within the construction industry where project results are tangible and a building may be used to its full potential well into the future.
