Illusion is the definitive report on Rudy Giuliani's role in 9/11 the true story of what happened that day and the first clear-eyed evaluation of Giuliani's role before during and after the disaster While the pictures of a soot-covered Giuliani making his way through the streets became very much a part of his personal mythology they were also a symbol of one of his greatest failures The mayor's performance though marked by personal courage and grace under fire followed two terms in office pursuing an utterly wrongheaded approach to the city's security against terrorism Turning the mythology on its head Grand Illusion reveals how Giuliani has revised his own history casting himself as prescient terror hawk when in fact he ran his administration as if terrorist threats simply did not exist too distracted by pet projects and turf wars to attend to vital precautions Authors Wayne Barrett and Dan Collins also provide the first authoritative view of the aftermath of the 9/11 attacks recounting the triumphs and missteps of the city's efforts to heal itself With surprising new reporting about the victims the villains and the heroes this is an eye-opening reassessment of one of the pivotal events and politicians of our time

High Crimes Michael D'Antonio, Peter Eisner, 2020-10-20 Two award-winning journalists offer the most comprehensive inside story behind our most significant modern political drama the House impeachment of Donald Trump Having spent a year essentially embedded inside several House committees Michael D'Antonio and Peter Eisner draw on many sources including key House leaders to expose the politicking playcalling and strategies debated backstage and to explain the Democrats' successes and apparent public failures during the show itself High Crimes opens with Nancy Pelosi deciding the House should take up impeachment then in part one leaps back to explain what Ukraine was really all about not just Joe Biden and election interference but a money grab and oil In the second part the authors recount key meetings throughout the run up to the impeachment hearings including many of the heated confrontations between the Trump administration and House Democrats And the third part takes readers behind the scenes of those hearings showing why certain things happened the way they did for reasons that never came up in public In the end having illuminated every step of impeachment from the schemes that led Giuliani to the Ukraine in 2016 to Fiona Hill's rebuking the Republicans' conspiracy theories High Crimes promises to be Trump's Final Days

The Grifter's Club Sarah Blaskey, Nicholas Nehamas, Caitlin Ostroff, Jay Weaver, 2020-08-04 An astonishing look inside the gilded gates of Mar a Lago the palatial resort where President Trump conducts government business with little regard for ethics security or even the law Donald Trump's opulent Palm Beach club Mar a Lago has thrummed with scandal since the earliest days of his presidency Long known for its famous and wealthy clientele the resort's guest list soon started filling with political operatives and power seekers Meanwhile as Trump rebranded Mar a Lago the Winter White House and began spending weekends there state business spilled out into full view of the club's members and vast sums of taxpayer money and political donations began flowing into its coffers and into the pockets of the president The Grifter's Club is a breakthrough account of the impropriety intrigue and absurdity that has been on display in the place where the president is at his most relaxed In these pages a team of prizewinning Miami Herald

journalists reveal the activities and motivations of the strange array of charlatans and tycoons who populate its halls Some peddle influence some seek inside information and some just want to soak up the feeling of unfettered access to the world s most powerful leaders With the drama of an expose and the edgy humor of a Carl Hiaasen novel *The Grifter s Club* takes you behind the velvet ropes of this exclusive club and into its bizarre world of extravagance and scandal

Compromising Positions Leslie Dorrrough Smith,2020 *Compromising Positions* argues that political sex scandals aren t really about sex Rather they are a form of cultural theater moments of highly visible public storytelling that use racial and gendered symbols to create a collective sense of national worth and strength The book shows that Americans condemn or excuse the sexual indiscretions of their politicians depending on the degree to which those politicians reinforce longstanding evangelical symbols associated with American values and a Christian nation
