Dear Human Resources Management,

I am writing to express my interest in the Civil Engineering Internship at your organization. Pursuing a Bachelor's degree in Civil Engineering, I am eager to apply my academic background and hands-on experience to contribute effectively as an intern within your team.

I have developed a strong foundation in structural analysis, transportation engineering, and environmental systems, complemented by proficiency in AutoCAD, Revit, and SAP2000. My previous internship experience has enhanced my project management skills and ability to work under tight deadlines.

I am particularly drawn to your organization's dedication to innovative engineering solutions, especially your focus on enhancing infrastructure resilience and promoting sustainability practices. I am eager to contribute to projects that embody these values and make a positive impact under your guidance.

Enclosed is my resume for your review. I am enthusiastic about the opportunity to discuss how my skills align with your internship requirements. Thank you for considering my application. I look forward to the possibility of discussing this opportunity further.

Yours sincerely,
