**Everyman's Constitution** Howard Jay Graham, 2013-05-31 In 1938 Howard Jay Graham a deaf law librarian successfully argued that the authors of the Fourteenth Amendment ratified after the American Civil War to establish equal protection under the law for all American citizens regardless of race were motivated by abolitionist fervor debunking the notion of a corporate conspiracy at the heart of the amendment's wording For over half a century the amendment had been used to endow corporations with rights as individuals and thus protect them from state legislation By 1968 when Everyman's Constitution was first published the Fourteenth Amendment had become a tool for the incorporation of the Bill of Rights to apply to all American citizens The essays in this reprinted edition are still relevant as the nation continues to interpret our framing legislation in light of the concerns of today and to balance citizens rights against those of corporations Howard Jay Graham was a law librarian brought in by the NAACP's legal team to write a brief on the Fourteenth Amendment for the Supreme Court case *Brown v Board of Education* Though the Supreme Court justices ruled in favor of the NAACP based on the sociological rather than historical evidence it provided Graham's work published in various law journals over several decades contributed greatly to the ongoing interpretation of the Fourteenth Amendment

Proverbs- Everyman's Bible Commentary Irving Jensen,1982-10-06 To think that the same God who spoke worlds into being who wrought redemption when man had fallen who shall bring in a new heaven and a new earth should stoop to give instruction for the very details of His creatures lives The Proverbs are as important as they are practical You are likely acquainted with the Proverbs but Irving L Jensen will help you study the entire text In this popular level commentary the well known Dr Jensen places the book of Proverbs in its historical setting and background and traces its development through exposition and accompanying charts

**Everyman's House** Caroline Bartlett Crane,1925 Romans- Everyman's Bible Commentary Alan Johnson,2000-04-01

The book of Romans is one of the best loved books in the entire Bible Paul s explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians Further the acknowledgment that we are not under law but under grace has given Christians freedom from the bondage of legalism for centuries However Romans is a complex book filled with difficult theology To make this revolutionary book more accessible to the common man Alan Johnson has written Everyman s Bible Commentary on Romans The original two volumes are now combined into one complete volume The commentary is also updated expanded and revised The easy style and careful presentation make this an excellent commentary for laymen and pastors alike Study Paul s discussion of the believer s new life in Christ with their release from sin and death and the faithfulness of God Be encouraged and strengthened with a more in depth understanding of your position before Christ with

Wortham,1980      Why Men Buy Sex Philip Birch,2015-02-20 Sex work has been a contentious issue in a variety of ways  
throughout history socially morally ethically religiously and politically Traditionally noted as one of the oldest professions in  
the world sex work has commonly been demonised and is often viewed as a social disgrace While sex work involves both  
providers of sexual services most commonly women and purchasers of sexual services most commonly men providers have  
attracted the most social commentary Recent research shows that a limited number of studies have been conducted since  
1990 concerning men who procure sexual services This book aims to help reset this balance In this book Philip Birch  
examines the procurement of female sexual services with a focus on the personal and social aspects of men who procure such  
exchanges and offers insight into the demographics amongst men who purchase sexual services alongside an analysis of the  
reasons why they purchase sex This book brings together existing literature with analyses of new data to develop a multi  
factor model reflecting men s procurement of sexual services and demonstrates the complexities surrounding the procuration  
of these sexual services in exchange for money The book considers what contribution the understanding of the personal and  
social aspects of men who procure sexual services has on re theorising the purchasing of sex in the 21st Century and will be  
of interest to academics and students involved in the study of criminology criminal justice social policy law sociology

**Legitimacy of Poetic Reason** O. Bradley Bassler,2022-09-26 Many philosophical accounts of reason are geared toward  
providing rational justifications ex post facto rather than accounting for the role reason plays in actu in the process of  
creative work Moreover when in actu accounts of reason are given they are usually too narrow to describe the sort of high  
level creative work that is involved in the composition of poetry or the creation of a scientific theory This book suggests that  
the rudiments of a broader account are found in various German Idealist figures most notably the philosopher novelist critic  
Friedrich Schlegel and the philosophical poet and novelist Friedrich H Iderlin However German Idealism generally is subject  
to Hans Blumenberg s secularization critique which provides a strong prima facie argument that the accounts of poetic  
reason suggested by Schlegel and H Iderlin are indefensible This book argues that confronting Blumenberg s secularization  
critique and his associated legitimation of modernity with a romantic conception of poetic reason requires revisions on both  
sides and that the work of Lacan is especially well suited to provide the conditions upon which a legitimation of poetic reason  
can be provided      The English Catalogue of Books Sampson Low,1911 Volumes for 1898 1968 include a directory of
