Righteous Dopefiend Philippe I. Bourgois, Jeff Schonberg, 2009-04-29 Introduction a theory of abuse Intimate apartheid Falling in love A community of addicted bodies Childhoods Making money Parenting Male love Everyday addicts Treatment Conclusion critically applied public anthropology Drugs and the American Dream Patricia A. Adler, Peter Adler, Patrick K. O'Brien, 2012-02-28 Drugs and the American Dream presents an up to date anthology of chiefly contemporary readings that explore the myriad sociological correlates of licit and illicit drug use in the United States Unique approach to the topic that offers an organizing theme of sociological concepts age social class ethnicity gender as well as societal response to drug use including drug education treatment and policy The book is interdisciplinary in terms of approach making it useful in a variety of contexts Includes a wide array of ethnographic articles that place reader directly into the perspectives of drug users through their own voices Brief framing introductions to each article provide interconnective tissue guiding the student to the heart of what s important in the piece that follows Offers a balanced approach to various substances tobacco alcohol prescription drugs and illegal drugs Provides students with a realistic perspective on the extent of substance use in American society as well as a critical appreciation of the real versus imagined harms associated with use of various substances

Habitus and Drug Using Environments Stephen Parkin, 2016-04-22 Informed by the thought of Pierre Bourdieu and framed by the philosophy of harm reduction Habitus and Drug Using Environments provides a sociological analysis of public environments affected by injecting drug use Drawing on ethnographic research across several locations this book offers a qualitative and phenomenological account of the social organisation of public settings used for the preparation and administration of illicit drugs informed by interviews with both injecting drug users and those whose employment is directly affected by public injecting drug use With attention to current policy related questions concerning the lived experience of place upon the health of injecting drug users how wider social structures contribute to participation in public injecting and the manner in which participation in public injecting amplifies drug related harm Habitus and Drug Using Environments sheds light on the ways in which health and place interact to produce and reproduce already established hazards associated with injecting drug use As such it will be of interest to sociologists geographers criminologists and policy makers working in fields such as drug use risk behaviours and their relation to place and health studies **An Applied Visual Sociology: Picturing Harm Reduction** Stephen Parkin, 2016-04-15 Exploring the value of photography and video as legitimate forms of social enquiry An Applied Visual Sociology Picturing Harm Reduction constitutes a guidebook for conducting applied visual sociology within health related or social science research projects providing a full account of the visual research journey and presenting a tested template for conducting theoretically driven sociologically informed research Against the background of the growing popularity of visual methods this book goes beyond using photographs for illustrative and descriptive purposes to emphasise the importance of sociological epistemological and analytical theory together with methods of data collection

and the presentation of images for applied purposes As such An Applied Visual Sociology Picturing Harm Reduction offers a template for considering visual data as applied research providing a full account of the manner in which visual methods can inform research and specific interventions together with opportunities for students and practitioners to consider applied visual sociology in a series of practical or self study tasks It will therefore appeal not only to students and researchers involved in social and health related qualitative research or those seeking to conduct innovative visual projects within the social sciences but also to scholars interested in research methods visual ethnography and harm reduction approaches to drug use

The Routledge Handbook of the Politics of the #MeToo Movement Giti Chandra,Irma Erlingsdóttir,2020-11-26 Since the MeToo hashtag went viral in 2017 the movement has burgeoned across social media moving beyond Twitter and into living rooms and courtrooms It has spread unevenly across the globe with some countries and societies more impacted than others and interacted with existing feminist movements struggles and resistances This interdisciplinary handbook identifies thematic and theoretical areas that require attention and interrogation inviting the reader to make connections between the ways in which the MeToo movement has panned out in different parts of the world seeing it in the context of the many feminist and gendered struggles already in place as well as the solidarities with similar movements across countries and cultures With contributions from gender experts spanning a wide range of disciplines including political science history sociology law literature and philosophy this groundbreaking book will have contemporary relevance for scholars feminists gender researchers and policy makers across the globe
