The factors that affect a company's P/Q rating for UAV drones include **Correct Answers:** the assembly quality incentives paid to drone PAT members, the company's prior-year brand reputation, and the prior year worldwide average warranty claim rate on the company's drones.

Which of the following ARE components of the compensation package for members of production assembly teams? **Correct Answers:** The dollar-cost of a PAT member's fringe benefit package, assembly quality incentives (\$ per unit assembled divided equally among PAT members), year-end bonus for perfect attendance, and annual base wage

The factors that affect the productivity of both camera PATs and drone PATs include **Correct Answers:** the size of assembly quality incentives paid to camera/drone PATs, how favorably the overall size of the company's total compensation package (not including overtime pay) per camera/drone PAT member compares against the camera/drone all-company averages, and changes in the number of camera/drone models that have to be assembled.

The company's present assembly plant has sufficient space for **Correct Answers:** up to 150 workstations, without expanding the size of the plant.

A camera-maker's price competitiveness in a particular geographic region is determined by **Correct Answers:** whether its price is above or below the average price of all companies competing in that geographic region.

The interest rate a company pays on loans outstanding depends on **Correct Answers:** its credit rating.

Which the following are not factors in determining a company's credit rating? **Correct Answers:** The size of the company's year-end cash balance, the average of its ROE for the past three years, and how many times the company has been put on credit watch.

Consumer purchases of digital cameras are seasonal with **Correct Answers:** about 20% of consumer demand coming in quarter 1, 20% in quarter 2, 20% in quarter 3 and 40% in quarter 4.

Which of the following are the four geographic regions in which the company is selling its cameras? **Correct Answers:** Europe-Africa, Latin America, Asia-Pacific, and North America.

Which of the following currencies are involved in affecting the revenues your company receives on camera shipments to retailers in the four geographic regions of the world where it markets cameras? **Correct Answers:** U.S. dollars, Taiwan dollars, Singapore dollars, euros, and Brazilian real.

Which of the following do not have a bearing in determining a company's unit sales and market share of entry-level or multi-featured cameras in a particular geographic region? **Correct Answers:** The size of the incentive bonus paid to PATs, the percentage of cameras that were outsourced, and warranty claims costs.
