*GO PRO* Sapiens Editorial,2017 ORIGINAL BOOK SYNOPSIS Go Pro is a book that presents the keys to becoming a Marketing or Networking professional In the work its author Eric Worre lays down a guide for anyone wanting to engage in multilevel marketing either to strengthen their company or as a business by itself His ideas expand the usual range of action and help to understand that there is a sure way to create a large and successful business with the freedom of self management for both time and decisions The 7 steps outlined here summarize the author s observations on how to become an entrepreneur with a marketing network being both a salesman and manager at the same time selling your own products or those of other companies establishing your own working hours and working with whom you decide to work all with a significant income In these lines we present the best of these ideas ABOUT SAPIENS EDITORIAL Books are mentors Books can guide what we do and our lives Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later

we can't remember if we have read it or not. And that's a shame. We remember that at that time the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good. This summary is taken from the most important themes of the original book. Most people don't like books. People just want to know what the book says they have to do. If you trust the source you don't need the arguments. So much of a book is arguing its points but often you don't need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book. All this information is in the original book.
