Gods Generals II Roaring Reformers:

God's Generals II Roberts Liardon,2003 Roberts Liardon introduces you to six of God s Generals who fought to reestablish the core beliefs of the early church in the atmosphere of oppression ignorance and corruption that pervaded the medieval church God's Generals Roberts Liardon,2003-07-01 The Victorious Generals Their Powerful Secrets Revealed In an atmosphere of oppression and darkness the reformers came with revelation from God and translations of the Bible into common language Roberts Liardon will introduce you to six men who fought to reintroduce the beliefs and principles of the early church John Wycliffe The Bible Translator who translated the Bible from Latin into English and was martyred for his efforts John Hus The Father of Reform who longed to spread the gospel and urged people to search the Scriptures Martin Luther The Battle ax of Reform the monk turned reformer who found that man is saved by grace John Calvin The Teaching Apostle who organized the church and urged people to serve God in all areas of life John Knox The Sword Bearer the rough Scottish reformer who battled queens to gain the right to preach what he believed George Fox The Liberator of Spirit the founder of the Quakers who lived through persecution after persecution yet humbly shared the Holy Spirit with everyone he met As you read about these men who sacrificed everything in their fight for God and view the many revealing photos you will appreciate the freedom you have to worship find encouragement for your spiritual battles and be motivated to find biblical truth for your own life *Crazy Revolution* Hugh Barber,2012-11-30 ALL OF HEAVEN HOLDS ITS BREATH WAITING ON YOUR DECISION TO LIVE OUTRAGEOUSLY IN FAITH TO BE UNCOMPROMISING TO WHATEVER GOD CALLS YOU TO DO The word CRAZY refers to passionate zealous and devoted individuals They inspire followers challenge systems of thinking and bring a revolution Jesus was in every sense of the word CRAZY He set a new standard of living and became a revolutionary changing the world forever Too many believers today are spiritually apathetic to things of God They have no power influence or fruitfulness of any significant amount In a time of superficial faith the time has come for a CRAZY Revolution To make a stand in the faith no matter the cost To turn over tables in the face of hypocrisy And to live the Christian faith radically This is the Jesus way What does it look like to be a committed Christian How are we to live in holiness in a dark and fallen world And how are we to stay true to Jesus call in taking up our cross and following Him The answers will surprise you This book will cover the essential qualities of what it means to be a faithful follower of Christ It will explore the key elements of what are to be our priorities and how to finish our race strong A revolution is rising in on the horizon of a strong and faithful army living outrageously in faith Much is at stake and all of heaven is awaiting your decision Because at the end of the day as you will soon find you ll be crazy not to be CRAZY *Animals as Seen Through God'S Eyes* Dwila R. Funk,2014-06-30 Have you ever wondered what happens to your beloved pet when he or she dies Will you ever be able to see him or her again in heaven Or have you been plagued by the disturbing thought that animals are only here on earth for our enjoyment in this life but when they die that is it for them and they are gone forever This haunted me for

decades until I finally got up enough courage to seek out the truth for myself I went to the word of God to conduct my own research This book is the result of my quest to find the truth about how God really sees animals and His plan for them I was astounded by the wealth of information that God shares in the Holy Bible regarding animals The answers are there hidden in His word All anyone needs to do is look You are Revival Matthew L. Skamser,2011-01-01 Revival means going deeper in the Spirit and tapping the eternal living river that flows from the throne of the King Pressing into the Kingdom and breaking through the fallow ground of your heart and mind allows you to tap into the Source of all things good Your spiritual growth will exponentially increase and you will bear much sweet fruit Some of the necessary ingredients for true revival include An open heaven Anointing The power of the Holy Spirit Fasting Intercession Many exciting victories You will learn about these ingredients through this complete and practical guide to seeing healings signs wonders Each chapter ends with several spirit stirring questions followed by a prayer that leads you into His presence If you want revival you must be revival You must learn to live in the flowing river of God so that you never dry up and wither away You are personally invited to experience the right now power and presence of God Branded by God Wes Walton,2026-02-26 I want to introduce you to the one who branded me and started me and others on the journey to the fire On the ranch we put cows and calves together in the big pen calves stayed calmer this way with their mother Our fire was in the center of the pen so cows could meander around the inside fence and ropers could rope calves trailing their mother They would rope a calf s hind feet and drag them to the fire by horse Then our wrestlers would grab them by the tail and pull them over on their side with the side intended to be branded facing up One wrestler would put a knee on its neck and curl its front leg securely The wrestler behind would put the heel of his cowboy boot behind the leg on the ground pushing and stretching it forward while taking the lariat off and grabbing the other hind leg stretching it backward They were held securely and tight so the one branding didn t get a smeared brand when the calf tried to kick free You ended up with a perfect legible brand with the hair burned off and the hide scorched so the hair doesn t grow back God has held me so secure and branded me with his Spirit proving ownership We branded cattle with a red hot iron which was the most efficient way to brand numbers of cattle from one hundred to a thousand a day We would freeze brand our horses with liquid nitrogen which was less painful and stressful on horses You were generally branding just one or two horses at a time The other perk to freeze branding was the hair would grow back in but it came back white This was very attractive on a dark horse It was our signet of ownership My signet or brand from God produces love joy peace patience kindness faithfulness gentleness and self control No wild ass kicking and bucking in rebellion
