Genesis Bernard Beckett:

Genesis Bernard Beckett, 2018-04-01 A thought provoking tale of the future set on an isolated island fortress The ending is an absolute mind blower Booklist Anax thinks she knows history She has studied the stories of the distant twenty first century very diligently Her grueling all day examination has just begun and if she passes she ll be admitted into the Academy the elite governing institution of her utopian society But Anax is about to discover that for all her learning the history she s been taught isn t the whole story And the Academy isn t what she believes it to be In this brilliant and suspenseful novel Anax s examination leads us into a future where we are confronted with unresolved questions about technology and humanity artificial intelligence and the nature of consciousness A philosophical inquiry of sorts into a favorite and time tested conundrum Can a machine achieve consciousness and if so what should its relationship with its creators be The Wall Street Journal

Genesis Bernard Beckett, 2009 Set on a remote island in a post apocalyptic plague ridden world this bold and ingenious thriller questions what it means to be human as philosophical questions collide with technology **August**

Bernard Beckett, 2011-02-28 Trapped in a car wreck bleeding and in pain Tristan and Grace fear the worst Tristan is a philosopher struggling with the question of free will Grace s life of hardship allows no place for such ideas Part thriller part love story **August** is a compelling novel about what it means to live **Antipodean Antiquities** Marguerite

Johnson, 2019-03-21 Leading and emerging early career scholars in Classical Reception Studies come together in this volume to explore the under represented area of the Australasian Classical Tradition They interrogate the interactions between Mediterranean Antiquity and the antipodean worlds of New Zealand and Australia through the lenses of literature film theatre and fine art Of interest to scholars across the globe who research the influence of antiquity on modern literature film theatre and fine art this volume fills a decisive gap in the literature by bringing antipodean research into the spotlight Following a contextual introduction to the field the six parts of the volume explore the latest research on subjects that range from the Lord of the Rings and Xena Warrior Princess franchises to important artists such as Sidney Nolan and local authors whose work offers opportunities for cross cultural and interdisciplinary analysis with well known Western authors and artists
