Strategy is Digital Carlos Cordon,Pau Garcia-Milà,Teresa Ferreiro

Vilarino, Pablo Caballero, 2016-06-01 This book presents strategies and practices to allow everyday companies to cope with the fundamentally changing landscape of business models and to take advantage of the huge business opportunities arising from the advent of big data. It develops several case studies from companies in traditional industries like LEGO, Yamato, and Mediq, but also examines small start-ups like Space Tango, which is partnering with major multinationals to develop new business models using big data. The book argues that businesses need to adapt and embark on their big data journey; it helps them take the first step and guides them along their way. It presents successful examples and deduces essential takeaway lessons from them, equipping executives to capitalize on big data and enabling them to make intelligent decisions in the big data transformation, giving their companies an essential competitive edge.
